NOTICE: Section 54.504 of the Federal Communications Commission's rules requires all schools and libraries ordering services that are eligible for and seeking

universal service discounts to file this Services Ordered and Certification Form (FCC Form 471) with the Universal Service Administrator. 47 C.F.R.§ 54.504(c).

The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as a mended. 47 U.S.C. § 254. The

data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47C.F.R. § 54.504. All schools

and libraries planning to order services eligible for universal service discounts must file this form themselves or as part of a consortium.

U.S.C. § 254. The

data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47C.F.R. § 54.504. All schools

and libraries planning to order services eligible for universal service discounts must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. We will use the information you

provide to determine whether approving this application is in the public interest. If we believe there may be a violation or a potential violation of any applicable

statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or

implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court

or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has

an interest in the proceeding. In addition, consistent with the Communications Act of 1934, FCC regulations and orders, the Freedom of Information Act, 5

U.S.C. § 552, or other applicable law, information provided in or submitted with this form or in response to subsequent inquiries may be disclosed to the public.

If you owe a past due debt to the Federal government, the information you provide may also be disclosed to the Department of the Treasury Financial

Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may

also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC may delay processing of your application or may return your application without action.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 4 hours per response, including the time for reviewing instructions, searching

existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this

burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications

Commission, Performance Evaluation and Records Management, Washington, DC 20554.

I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from

their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute

reasonable measures to be informed, and will notify USAC should I be informed or become aware that I or any of the entities listed on this

application, or any person associated in any way with my entity and/or the entities listed on this application, is convicted of a criminal violation or

held civilly liable for acts arising from their participation in the schools and libraries support mechanism.

35

I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the eligible and ineligible components as required by the Commission's rules at 47 C.F.R. § 54.504(g)(1), (2).

36

I certify that this funding request does not constitute a request for internal connections services, except basic maintenance services, in violation of

the Commission requirement that eligible entities are not eligible for such support more than twice every five funding years as required by the

Commission's rules at 47 C.F.R. § 54.506(c).

37

I certify that the non-discount portion of the costs for eligible services will not be paid by the service provider. The pre-discount costs of eligible

services featured on this Form 471 are net of any rebates or discounts offered by the service provider. I acknowledge that, for the purpose of this

rule, the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a

NOTICE: Section 54.504 of the Federal Communications Commission's rules requires all schools and libraries ordering services that are eligible for and seeking

universal service discounts to file this Services Ordered and Certification Form (FCC Form 471) with the Universal Service Administrator. 47 C.F.R.§ 54.504(c).

The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as a mended. 47 U.S.C. § 254. The

data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47C.F.R. § 54.504. All schools

and libraries planning to order services eligible for universal service discounts must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control

number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. We will use the information you

provide to determine whether approving this application is in the public interest. If we believe there may be a violation or a potential violation of any applicable

statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or

implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court

or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government is a party of a proceeding before the body or has

an interest in the proceeding. In addition, consistent with the Communications Act of 1934, FCC regulations and orders, the Freedom of Information Act, 5

U.S.C. § 552, or other applicable law, information provided in or submitted with this form or in response to subsequent inquiries may be disclosed to the public.

If you owe a past due debt to the Federal government, the information you provide may also be disclosed to the Department of the Treasury Financial

Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may

also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC may delay processing of your application or may return your application without action.

The foregoing Notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 4 hours per response, including the time for reviewing instructions, searching

- existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of information. Send comments regarding this
- burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications
- Commission, Performance Evaluation and Records Management, Washington, DC 20554.

PUBLIC PARTICIPATION

Nicholas Kapoor, 11 Cardinal Lane stated Monday, September 17, 2012 is Constitution Day in the United States. Constitution Day was enacted by an act of Congress and put forward in the U.S. Senate by former Senator Robert Byrd. Mr. Kapoor stated the Bill of Congress established any University or institution of higher education that was receiving federal funds from federal government had to, in some way, observe Constitution Day. Mr. Kapoor noted his alma mater, Sacred Heart University, established a constitution project and had Sacred Heart University Press print up pocket size Constitutions of Connecticut, Constitutions of the United States, and The President and Vice-President, both Democrats and Declaration of Independence. Republicans, at Sacred Heart took these pocket size Constitutions to the State Capital in Hartford and decided to call out every legislature that was there on both sides and give one to them, as well as all Constitutional Officers and the Governor. He stated the reason why this project was established is you take an oath to preserve, protect, and defend the Constitution. He stated although we do not have constitutional debates on the dais, the State Legislature and U.S. Congress always do. Mr. Kapoor concluded as a former member of Sacred Heart University, he had copies of Constitutions of Connecticut, and Constitutions of the United States to give out to Councilmember's to remind them "not only do we talk about budgets this is what we are preserving, protecting, and defending and to remember to read your Constitutions".

Town Council Committee on Finance, Education, Health & Public Safety Matters

Vice Chairman Heim reported they have not met and will be scheduling a meeting for September 24, 2012 which is the next Town Council meeting. Vice Chairman Heim stated she was present at the Board of Education meeting which had a good start with the school year and a discussion of the pension will be coming back to the town. There were some issues with the school buses but all are being resolved. Councilmember Dutches stated at the Board of Finance meeting a discussion was heard regarding the sale of a fire truck with the funds being returned to the general fund. Mr. Cambra, Tax Collector, was present at this meeting and discussed the collection rate and available taxes. He stated the collection rate for the current fiscal year is over 100%. He assured the Board of Finance that he would make the collection rate but may very well have a gap.

Town Council Committee on Planning & Zoning, Public Works and Parks & Recreation Matters

Councilmember Unger reported he has not met since the last Town Council Meeting but a meeting is scheduled for September 18, 2012 at 6:30 p.m. A discussion of the ordinance for the inland/wetland violations will be made. Other issues for discussion will be the contracts about the Community Center.

Town Council Committee on Legislative & Administrative Matters

Councilmember Sredzinski reported he has not met since the last Town Council Meeting but a meeting is scheduled for September 20, 2012 at 5:00 p.m. The agenda will include the inland/wetland ordinance assuming the Planning & Zoning subcommittee passes on something.

Trumbull/Monroe Health District

Councilmember Knapp reported they have not met. The next meeting is scheduled for September 11, 2012 at 7:30 p.m. at the District Headquarters. All flu clinics have been posted both on websites and news media.

First Selectman's Update

First Selectman Vavrek reported that the Stepney Green is now finished and looking great, but there is still work to be done with the Judd Road area. The Honeywell timeline work between the Board of Education and the Town has been pushed back due to issues on both sides but they are moving forward. First Selectman Vavrek stated he was not sure why the Chalk Hill Building was on the agenda because the RFP is still being reviewed with Mr. Kimball. He mentioned the property ownership on Hunters Ridge Road addressed by Mr. Szilvazy at last Town Council meeting belongs to the estate or the bank and will try to find out which one, but noted that the town of Monroe is not responsible for taking care of that property. Chairman Lipeles stated she asked Attorney Fraccacini regarding Mr. Szilvazy question and his response was the same. For the record, she called and left a message on Mr. Szilvazy's answering machine. First Selectman Vavrek also reported that there are two pieces of litigation on file regarding Forest Road, and as far as winning or losing on the town legal bills, First Selectman Vavrek feels that should not be out to the public.

Councilmember Martin questioned about the Wetland Enforcement Officer as to who that person is, when they were hired, who is paying for it, and where the money is coming from. First Selectman Vavrek stated he thought this was discussed months ago.

Councilmember Unger stated the position was a Wetland Administrator, who is also the Enforcement Officer (one in the same) and stated this is not a new position. Kathy Lombardi, Human Resource Director was present and clarified this position for Council and stated it was already approved.

Councilmember Kapoor again questioned First Selectman Vavrek on what authority does the First Selectman have to continue authorization of payment for a Chapter 10 job that Town Council denied?

First Selectman Vavrek stated Town Council subsequently did, as Council redid their vote and decided to put it back in. He noted it was already budgeted for and paid for. It was not a new position or an added position and he stated once it was spoken about again it got voted on and passed.

Councilmember Kapoor expressed his concern "if there is anything in our Charter, once we say no under Chapter 10 of our Charter, where can you tell the Director of Finance in your memo that you sent and copied to Council and continue authorization of payment to that person when we said no?"

First Selectman Vavrek stated it was "flat out common sense. It was in the budget, it was taken out, for whatever reason, and if we didn't have that position staffed it would have caused havoc at a fairly busy time in the Building Department. It was my executive decision and I will take full responsibility for customer service purposes to have that position filled and luckily Town Council agreed, voted, and put it back in."

- b. Non-Union Position: Deputy Director of Finance
- c. Memorandum of Agreement between the Town of Monroe and Supervisors Union Local 818 of Council #4 AFSCME
- _ d. Chalk Hill Building
- e. Police Department Renovations Update

QUARTERLY REPORT OF POLICE DEPARTMENT BUILDING RENOVATIONS (J.P. SREDZINSKI)

Regular Meeting Amended Final Minutes September 10, 2012 (Session 2012-15)

Page 4 of 9

Town Council Monroe, Connecticut

Councilmember Sredzinski stated the contract was approved and as Chairman of the Building Committee presented his quarterly report. He reported significant progress has been made. A septic line was an issue in early August that was ruptured during routine excavation. The reason he brought this up in this report because it was a true emergency situation for the project. The team in place as field personnel on the scene was Captain Flick, Chief Salvatore, and Frank Bent, who immediately identified the problem and knew something, had to be done. Earthworks, and the Trumbull/Monroe Health District were also there. Everyone worked together to resolve the problem for under \$2,000.00 within the same day. Councilmember Sredzinski stated the process of communication is working. He also stated that week concrete was poured in all areas and it is actually exceeding standards of what the state recommends. One item of interest included the lamps that were being put back in. When the lamps were removed from the ground, a noticeable replacement of the ground wires needed to be done as they were very old, so there will be a change order to replace the lamps which he feels will be cheaper than putting the old ones back in the ground. The electrical vendor has continued to work well with the underground wiring. They also had to move many wires because the generator was moved. Steel was delivered around August 15, 2012. The most recent work included the steel for both the north and south additions were erected with the exception of two pieces of the north addition. The north addition to the roof connection will be installed after the asbestos remediation on September 4, 2012. The steel ceiling for the south addition has been installed, bolted, and welded into place. All the connections meet and exceed the requirements of the Building Inspectors of the State regulations. Councilmember Sredzinski noted most of the steel is in. The electricians have installed the new electrical panels and existing interior doors have been removed from their frames. The Corrections Enterprises is part of the Department of Corrections for the State, and all doors were refinished by them. Refinishing of these doors was done to refrain from the high costs of replacing them. The asbestos abatement of the roof and vault area has been an issue to address with the town through the Department of Public Works and the First Selectman's office. The materials for the 911 relocation continued to be delivered and stored and the communications center will be moving from its current location. A company, MultiVista, will document the process. They take pictures of everything as phases of the project happen. Space will be corrected in case Town Hall ever needs to be renovated. They can go back and look at pictures to see how everything was; therefore, there is no need to move things around like duct work as they will know where everything is and find it. Councilmember Sredzinski stated he is kept informed via email from Frank Bent, Clerk of Works. Mr. Bent's email stated the concrete at the steel column bases were completed ahead of schedule, the contractor is working well with the architect, and several people from the Police department have been on sight all the time and have communicated this information to Councilmember Sredzinski. He concluded with everything is scheduled to be on budget also.

Councilmember Sredzinski stated if this update should be repeated again under E, Unfinished Business. Chairman Lipeles and First Selectman Vavrek said no. First Selectman Vavrek didn't

Town Council Monroe, Connecticut know why Police Department Renovations Update and Chalk Hill Building were put on the agenda. He apologizes that agenda is not correct as they were not fully staffed that week.

Councilmember Dutches stated at her Board of Finance meeting, a discussion regarding the cupola that carries a lot HVAC system attachment to the roof, replacement of the roof over Town Hall, and asbestos abatement went beyond the scope of the police renovations, however, it would be opened up when they were doing their connections. She asked First Selectman to speak regarding what contractor found out about the scope with regards to asbestos, cupola, and the roof? First Selectman Vavrek stated he did not hear that from anyone. Councilmember Sredzinski stated when we connected the north addition which is closer to Church Street, and once they connect that addition to the current Town Hall roof, did not know what they were going to get when they made that connection so they were not sure what they would find. He stated if there is a major issue, the Town will have to address. Councilmember Dutches stated there was a March 7, 2012 letter shared with Board of Finance regarding the new roof, asbestos abatement, and gutters that came to about \$350,000 and wondered. Councilmember Sredzinski stated this did not come from his committee. Councilmember Dutches stated the letter came from Board of Finance Special Meeting Board Pack.

NON-UNION POSITION: DEPUTY DIRECTOR OF FINANCE)

MOTION: (N. Kapoor)

To create a Non-Union position of Deputy Director of Finance and Deputy Comptroller.

SECOND: (R. Knapp, Jr.)

DISCUSSION: Councilmember J.P. Sredzinski stated this was a personnel issue and is not intended to be a personal issue. He realized timing was not done in the budget at a proper time and feels it would be somewhat hiding an expansion in the Finance Department for the voters. Councilmember Kapoor stated he understands many discussions have been done in the Executive Session and feels this position is to "create this position." Councilmember Kapoor noted during budget session during Town Council, all have heard about the need for more help in the Finance Department. He understands the concern about timing but the work needs to get done. He feels creating this position will be better for smooth running of this town. First Selectman Vavrek requested Chairman Lipeles read Mr. Mike Manjos, Vice-Chairman, Board of Finance letter for the record: Any organization must properly plan for the future. Proper planning will ensure a smooth transition and ensure that knowledge and experience is transferred from one employee to the successor. We have a very experienced and talented Director of Finance and we want to make sure of a smooth transition when he decides to retire. Heidi Meade had been our staff accountant for many years. She has a strong accounting background and has a strong working knowledge of the municipal accounting and has patience and understanding. She has the ability to work with many different personalities and is well respected by all. The plan going forward will be to put her in a position where she can gain more experience and gain experience and a working knowledge of all the processes that are involved with finances in the town of Monroe. We will continue to develop new planning and processes that will make the finance office more transparent and put more structured policies into place. We will develop financial guidelines for the Town of Monroe so as people come and go, the policies will stay the same. In order to

accomplish these goals, we will need to develop and compensate talented people to keep continuity in the office and to improve our processes. I believe we could open this process up and interview scores of people, but we are not looking to expand staff just to develop the talent we already have. Even if I could find a qualified candidate on paper they would not be able to replicate the experience in Town Hall and the work ethic we have with Heidi. The Board of Finance and the Finance department has developed an excellent cohesive working relationship that we would like to expand upon. By making this commitment to one of our best employees we will cement a long term path toward improving our financial reporting, financial management, and develop more policies to improve our long term financial planning. I strongly encourage you to support our request. I hope many of you have seen an improvement in the long term planning, financial reporting and budget planning coming from the Finance Department and the Board of Finance. I want to see us raise our standards and develop more long term financial planning and develop better financial controls. We are going to be asking more not less of the Finance Department and this is a very important step in implementing our plans.

First Selectman Vavrek also noted he has heard this has not been done at budget time. He stated there were some issues with unions and certain contracts that were approved and some were not. He was very thankful to Ms. Meade and the unions for being so helpful. First Selectman Vavrek has been trying to do this for the last couple of months and there were some issues but were working them out. He stated this position is much needed as we have a financial software package coming in and has a dedicated lady working many hours. He noted, if we do not attack this position now and go forward, we can lose a very valuable employee." First Selectman Vavrek read a letter from Cathy Lombardi, Human Resource Director, which stated that "we need a plan of replacement for key personnel as well as being able to operate in the absence of key personnel. In the past we in Public Works, Parks and Recreation, and the Finance Department see the importance of having qualified persons step up and continue day to day operations of the business in absence of management. We need to take a pro-active role in future planning. In 2005 I anticipated hiring Heidi as an accountant; she has proven herself over 7 years. She is a key person in moving the department and the town forward. In the absence of the Finance Director, Heidi assumed the role of acting Finance Director back when Carl Tomchik was out." First Selectman Vavrek concluded that Ms. Meade is a very important person and feels it would be a great mistake if this was not passed.

Councilmember Sredzinski again stated this is a personnel issue not personal. He praised Ms. Meade and wants her to know she is a valuable member of the town. His issue was the way this was proposed, as the position was created in the middle of budget season.

Councilmember Lieto also shared the same thoughts and concerns. He has known Ms. Meade to be very responsive, dedicated, and loyal employee. He also stated that he commends the town for having the foresight, "but there is a time for these long term plans to be presented to this body." He concluded that he does not like the timing and how it was presented to the general public.

Councilmember Dutches also shared the same comments and concerns. She stated she has worked with Ms. Meade and found her very forthcoming, full of information, and very responsive. She stated she was aware of the staffing needs, aware of software system, knew they

Regular Meeting Amended Final Minutes September 10, 2012 (Session 2012-15) Page 7 of 9

Town Council Monroe, Connecticut were ongoing, but was not presented with them during budget season. She concluded with the hopes of seeing a detailed plan for staffing at meetings.

First Selectman Vavrek stated if Ms. Meade leaves this position, "we will be in a very dark place." He stated we do not have a back up. He claims it was a union issue that just got resolved tonight and hopes to get votes.

Councilmember Kapoor stated he may have misspoken on his motion. He meant to include the creation of this position is pending the approval of the memorandum of agreement. He also stated that he sat on many budget workshops for a long time. He listened to the Board of Finance, Board of Education, and Town Council discussions on Chalk Hill. They always had discussions of long term planning. He understands everyone's concerns about how this was presented, but "we have something in front of us that is for long term planning", and agrees with First Selectman Vavrek. He concluded that we are looking for the benefit of the town and with our Finance Department.

Councilmember Martin stated we are talking about creating this position. She noted Ms. Meade is wonderful and that is not the issue, "the position is the issue we are talking about."

Councilmember Dutches stated if this position is approved and requires new things, we need to understand where funding is coming from. She hopes that this new position will require additional funding. She has asked repeatedly that an accounting of how we are managing that funding outside of the original budget process be put in front of us as well.

First Selectman Vavrek stated this position has been a union position and Ms. Meade works many hours. He noted we could not do anything with Ms. Meade being in the union and now getting her out of the union, we have the opportunity to pay a valuable employee to keep her here to back up a very important position in the Finance Department. First Selectman Vavrek concluded for the amount of work she does she should be compensated. "I'm all for hard work and more pay." He felt no other person would do the amount of work that Ms. Meade does.

Councilmember Sredzinski wanted to answer Councilmember Martin's question. He stated we are not losing anything by not creating this position. He noted this is a position that is being created for someone that works in the Finance Department. "The issue is creating a new position and doing something like we are hiding something from the town. We are not losing anything we are just not creating a new position."

2ND PARTICIPATION

Steve Shapiro, 42 Harvester Road, stated he has been around budgets for 30 years and went on to discuss the position for Ms. Heidi Meade. He stated to Council, if you put things in the budget whether non union or union, it's because you need it for the town. Mr. Shapiro stressed if you knew this position was supposed to be in the budget and you needed help with the department, you need to put things in the budget. He stated how he goes to all the budget workshops, more often than Town Council and the Board of Finance, and never heard one mention of more dollars in the Finance Department of all the budget workshops he attended. Mr. Shapiro stated this should be done by accepting the position and vote on the position for next year. He also stated to make the position better and try and get this financial situation straight. Mr. Shapiro concluded that Council needs to make a plan and stick with it. He stated if you have money to use, move it to something you really need. Mr. Shapiro also understands Ms. Meade is the most educational person in all the meetings, but "no one stepped up to put her in the budget for more money and that's disgraceful."

Next Town Council Meeting will be scheduled on September 24, 2012

Donna:

This email is for the record:

I have a huge Civil Lawsuit filed against me by 8 parents and an FBI agent who lost a child at the Sandy Hook School Shooting on Dec 14, 2012 in Federal Court In New Haven, CT.

Therefore, in order to defend myself I will need copies of all the first reports of injuries filed for workers compensation in that shooting event at Sandy Hook since you are the workers comp insurance provider for the Newtown, CT School Board.

You will also need to provide me under the CT Freedom of Information Public record laws since you are receiving taxpayer funds and since you are in direct email communication with the Newtwon, CT school board copies of all the workers' compensation death benefits paid out to six school employees families or children that died at Sandy Hook on Dec 14, 2012.

I contacted the CT State Department of Education contact person who handles these types of cases his name is name is Mike Potosda at 860-493-1570 and I recorded our conversation for quality assurance in which he has NO records being submitted by CIRMA on these school fatalities filed under workers comp. Why is that?

If you deny me those records then I will have to issue subpoena's for those records and depose the CEO of CIRMA for my trial.

I urge you to be honest because falsifying Insurance records are felonies.
Thanks

Mr. Delong:

Never in my lifetime have I seen an Insurance Carrier like yours working with the School Board Attorney Monte Frank deny me CT Freedom of Information Public records listed at the end of this email when flying to Newtown, CT to inspect your records he was supposed to provide me and my attorney.

The CT FOIA request is very simple as you will see.

So I am asking you and your company to provide me with those documents since I am being suit be 7 family members and an FBI who lost a child at Sandy Hook in Federal Courts.

So, if you refuse to provide me with those documents then I get them through Discovery and Deposition which as a defendant I am allowed to use.

I only hope that you will extend me the courtesy by producing those records since in good faith the Attorney for Newton CT Monte Franks stated that the records he provided to me came from CIRMA.

Please check he will verify the fact that you did not provide me those documents that I requested.

Look forward in working with you through this lawsuit since I believe you have all those records for my case.

Subject: RE: Insurance Fraud committed by the Newtown CT School Board in receiving \$497,875 thousand dollars for the Dec 14, 2012 supposed school shooting. CT FOIA Request

Exhibit 20

Mr. Halbig:

Thank you for your inquiry, the Connecticut Insurance Department has no information regarding this claim in our database and no claims information to send you. The department does not have direct authority over insurance fraud, that is handled by local police authorities and the courts. Based on any findings by those entities the Department does take appropriate regulatory action on our licensed entities. We will maintain your letter in our records and use it to determine if there are any similar issues raised in complaints against the entities you mentioned including the Connecticut Interlocal Risk Management Agency (CIRMA).

Subject: Insurance Fraud committed by the Newtown CT School Board in receiving \$497,875 thousand

dollars for the Dec 14, 2012 supposed school shooting. CT FOIA Request

Importance: High

Insurance Commissioner:

I am asking that you investigate the outright Insurance Fraud committed by the CT Newtown School Board and the following Insurance Company:

Newtown's Insurance agent

Danbury office

https://www.rkinsurance.com/site/384000384/228745600.asp

Source: Karen in Newtown Finance Dept

I will forward link to the actual insurance provider in Windsor Locks

cIRNA? Or Cerna? Connecticut inter-regional (something)

You supposedly had a shooting at Sandy Hook Elementary School on Dec 14, 2012.

The areas effected are the front glass window of the school shot out

Then you have classroom 8 and room 10 and the hallways covered with Blood and Bodily fluids supposedly.

Why did the Insurance company pay out \$497,875 thousand dollars?

I have requested a copy from the school board on the Insurance Claim they submitted for reimbursement.

What did they claim and what was denied in their claim.

These are Public Records and to this date why hide the claim.

\$497,875 thousand dollars is a huge pay out for property damages.

Please investigate and provide me with copies of their Insurance Claim and items that were denied in they claim.

Thanks

Dear Mr. Halbig,

You have sent me a number of photos of two young girls with different names and have asked me to do a comparison to determine if it is the same girl in all of the photographs. I have enhanced the photographs and brought them into clearer focus. I have created two composite pages, Combo 1 and Combo 2, for your review.

Combo 1 is full face images of both girls and combo 2 shows a comparison of the physical traits of both girls such as eyes, eyebrows, hair, hairline, chin structure, jawline, lips and mouth, and the shape of their forehead. Here are my findings:

You will notice in both combo I and the closer analysis in combo 2 that there is a very distinctive angle defect in the left eyebrow of both girls, the forehead and hair line of both girls are identical, the mouth and lips of both girls are the same shape and size, the very distinctive squared off chin and jawline are identical in all the photos. Both girls have the same curly and textured hair. Finally the noses are the same in the girls photographs.

It is my expert opinion that the photographs of both girls suggest that they are, in fact, the same person.

I am also enclosing my forensic CV. I have been doing forensic analysis for the past 28 years. 90% of my work has been for the prosecutors, police, and DA's in Texas and surrounding states. I have worked with the Department of Homeland Security, The US Marshall's Office, The FBI, The US Secret Service, The Public Defenders Office, and more. I have been under contract for the last 5 years to do the work for the Dallas District Attorney's office and have spoken at several national defense attorney conventions on video evidence.

If you have any further questions please feel free to call me.

Sincerely.

nd Traces . 1 September 2 My name is Descree Joarez, I am from San Jose, CA. I have decided to do whatever I can to help in this time of naed.

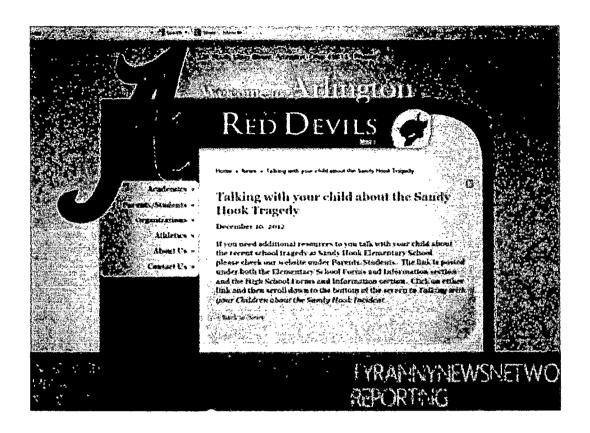

Never before have I been so outraged, so confused, so hurt at what someone could do to innocent children. I have an 8 year daughter and I cannot imagine what the families of the Connecticut School (Sandy Hook Elementary) Massacre are going through right now. 1 could not imagine what I would do if I lost my haby girl.

Not only is the community of Newtown coming together to help the victims families but the country is also coming together and I want to be a part of it. I am trying to raise funds to help the victims and their families cover the cost of burying their loved ones and not only that but I magine that the parents have to take time off of work to mourn for there loss and to plan the funeral and burial. These funds will help them take that much

Re: Wolfgang Halbig v. Police Chief Michael Kehoe, Newtown Police Department,

Town of Newtown

NOTICE OF APPEAL pursuant to C.G.S. sec. 1-206(b)(1)

Dear Commissioners:

Please be advised that this office represents Wolfgang Halbig.

On behalf of my client, I am filing this complaint for the failure of Police Chief Kehoe, the Newtown Police Department and the Town of Newtown to produce public documents requested by my client, Wolfgang Halbig, via email dated December 15, 2015. See attachment A, enclosed. On that date, he requested:

1. An audio copy of the Newtown Police Dispatcher communication to and from all units on December 13, 2012, from 6:00 a.m. through 6:00 p.m. that day;

2. An audio copy of the Newtown Police Dispatcher communications to and from all unites on December 14, 2012, from 10:00 a.m. to 6:00 p.m.

On December11, 2015, Police Chief Kehoe sent an email response to my client in which he stated that "due to the onerous work needed to compile" the requested audio, he could not provide them. See Attachment B, enclosed.

Due to Police Chief Kehoe's, the Newtown Police Department's, and the Town of Newtown's failure to comply with this request, WE NOW BRING THIS APPEAL TO THE FREEDOM OF INFORMATION COMMISSION pursuant to Conn. Gen. Stat. sec. 1-206(b)(1). Please acknowledge receipt of this appeal. Thank you.

Sincerely,

L. Kay Wilson

As you know they have provided me with Audio recordings before with NO complaints, but it was from 6:00 am to 9:35 am, for Dec 14, 2012.

That means they have the information just now because I expanded their search they refuse.

This is Public Record and in Public Record requests, it does require them to search.

I will pay costs.

MES - 24-16.

MOTION TO REOPEN

The undersigned counsel, on behalf of her client, Wolfgang Halbig, hereby Moves to Reopen FIC 2015-886 and have that matter reinstated based upon the following:

- On or about March 3, 2016, the undersigned counsel wrote to Attorneys Frank
 (For the Town of Newtown) and Leonhardt (FOI Commission Chief Counsel) via
 electronic mail that this matter was withdrawn.
- 2. The basis of the withdrawal was that we believed that we had received adequate assurances that a disc of the audio recordings from the Newtown Police Dispatch for December 14, 2012, was going to be produced by the Respondents.
- After tendering payment for the audio disc copy fees, Mr. Halbig received a disc
 ostensibly of the audio recording of the dispatch of the Newtown Police
 Department for December 14, 2012, from 10:00 a.m. to 6 p.m.

4. However, upon listening to the disc which was produced by the Respondents,
Mr. Halbig discovered that the audio recording was broken up, missing segments
and generally non-responsive to our FOIA request.

WHEREFORE, for all of the foregoing reasons, we now Move that this matter be reinstated and placed back on the hearing list.

Re: Wolfgang Halbig v. DESPP: Docket Number: FIC 2015-786

Dear Commissioner:

I am writing to respectfully request an *in camera* review of the video from the Newtown Police Department dash cameras at issue in this matter and for me and my client to be present during this review. Specifically, during her testimony under oath, the witness for the Department of Emergency Services and Public Protection (DESPP), Attorney Christine Plourde, testified that she had tampered with, altered and changed the format of the videos in question while they were in the possession of the DESPP. This raises serious questions about why we cannot obtain copies of those videos, yet they are being tampered with by personnel of DESPP. Therefore, we respectfully request an *in camera* review in our presence.

Thank you, in advance, for your consideration.

Sincerely,

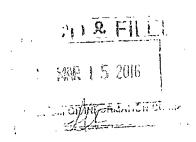

L. Kay Wilson

Wolfgang Halbig v. Newtown Police Department, Newtown, CT NOTICE OF COMPLAINT pursuant to C.G.S. sec. 1-225

Dear Commissioners:

Please be advised that this office represents Wolfgang Halbig.

On behalf of my client, I am filing this complaint against the Newtown Police Department for its violation of the Freedom of Information Act.

By email dated February 22, 2016, Mr. Halbig made FOIA requests of the Newtown Police Department requesting "the complete officers' narrative/incident report when responding to the Sandy Hook Elementary School Shooting on Dec. 14, 2012." (Attachment A)

By a response letter dated March 3, 2016 (Attachment B), Attorney Monte Frank, representing the Newtown Police Department, stated, "[t]o the extend that the Request seeks information other than documents as defined by the Freedom of Information Act, the Newtown Police Department is not required to respond." This verbiage constitutes a denial of the FOIA request.

We are requesting a hearing within thirty days regarding these violations of FOIA by the Newtown Police Department. Please acknowledge receipt of this complaint. Thank you.

Sincerely.

The Importance of the Police Report

By Kirk B. Redwine

Criminal Justice Institute
School of Law Enforcement Supervision Session XXII
October 26, 2003

The majority of police reports are considered public records and available to anyone desiring to obtain them. Media representatives may read most available police reports as they look for an interesting story. The victims, witnesses and suspects listed in these reports often have the opportunity to obtain and read them. If thereport is inaccurate, misleading or untruthful, there could be damaging repercussions. An officer's integrity and credibility is at stake.

Provide copies of each of these police officers official narrative in response to their specific action on Dec 14, 2012. They are listed above in the email attachment:

- 1. Police Chief Kehoe
- 2. Captain Rios
- 3. Lt Sinko
- 4. Lt Vanghele
- 5. Lt Robinson
- 6. Sat./Lt Kullaren
- 7. Sgt Bahamonde
- 8. Det Joudy
- 9. Det Frank
- 10. Officer Seabrook
- 11. Officer Mc Gowan
- 12. Officer Penna
- 13. Officer Figol
- 14. Officer Chapman
- 15. Officer Hull
- 16. Officer Mullhal
- 17. Officer Smith
- 18, Officer Silver
- 19. Sqt Wisentaner
- 20. Officer Mc Garthy

25526 Hawks Run Lane Sorrento, Florida 326776 352-729-2559

It should detail as to when they were notified of the incident and then their specific actions for that day until they signed off from that assignment.

The below communications clearly shows that former Police Chief Mike Keltoe stated under oath at the CT FOIA Hearings that No such records or statements are in the possession of the Newtown Police Department which as you can now see was an outright lie.

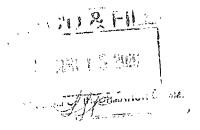

Please read his response to me and you will also find the email trail from the Ct State Emergency Services stating that they do not have those Newtown Police Officers narratives/incident reports in their files and that I should go back to Newtown to get them.

So here we are. Please comply to my CT FOIA requests within the CT laws and the time lines of providing me with those official police documents.

I have also provided you with verification that these documents do exists since LT Vangehle testified under oath at the CT FOIA hearing on Feb 18, 2016 that he has his copy

Mr. Halbig

I have copied your latest request from your email (below). The Town of Newtown's response is the same as many other responses to your previous requests for documents. (note here, The Newtown Police Dept. does not possess "a complete action report". All statements taken by the Conn. State Police from any officer of the Newtown Police Department are in the sole possession of the Conn. State Police. The Newtown Police Department does not possess any investigative statements or reports of Newtown Police Officers for the events at Sandy Hook Elementary School or 36 Yogananda on 12.14.12. You have received with previous requests, all documents as defined under FOI that are in the Newtown Police Dept's possession. Therefore, your repetitive requests for documents not in our possession, will be met with the same answer: No Responsive Documents.

Chief Michael Kehoe

Mr. Halbig,

As you are fully aware, your current FOIA requests are being processed. The State Police Newtown investigation has been disclosed and you have been provided with the link. With respect to Newtown POI reports, you need to obtain them from the originating agency, the Newtown Police Department. While some of the reports may have been contained within our report and may have been disclosed in a reducted fashion as you seem to claim, we are not the repository for those reports. Moreover requently, things such as dash camera footage from other agencies are ceited and logged as evidence in connection with an investigation. Seized property such as the is not discloseable under the Freedom of Information Act, however it may be available from the originating agency (here, Newtown Police Department).

Dear Attorney Wilson:

I am responding on behalf of the Newtown Police Department to a Freedom of Information Act request from your client, Wolfgang Halbig, dated February 21, 2016 (the "Request") as follows: The Newtown Police Department does not have "complete officers narrative/incident report," "official narrative" or "sworn statements" of the Newtown Police Officers listed in the Request concerning the Sandy Hook School shooting on December 14, 2012. To the extent that the Request seeks information other than documents as defined by the Freedom of Information Act, the Newtown Police Department is not required to respond.

Very truly yours,

Dear Executive Director Murphy,

Pursuant to Conn. Gen. Stat. Sec. 1-206(2) and on behalf of my clients, the Town of Newtown, the Newtown Police Department, the Newtown Board of Education and other Town agencies and boards (the "Town"), we respectfully request that you decline to schedule hearings for appeals brought by Wolfgang Halbig.

Mr. Halbig has spent the last three years pursuing redundant and harassing Freedom of Information requests from the Town. The Town has shouldered the brunt of Mr. Halbig's countless FOIA requests and numerous appeals (not to mention his other appeals to the Commission) for over three years. In compliance with the Freedom of Information Act, the Town has produced responsive documents for inspection in person and have made copies which were sent to him.

Mr. Halbig has four pending appeals concerning the Town, which constitute harassment and would cause the Town to incur further expense and disruption to defend. Three of the four concern the Sandy Hook School's Chorus' trip to the Super Bowl in 2013. As is true of his FOIA requests, his appeals are redundant. For example, two of the appeals concern his repeated requests for permission slips for the students who travelled to sing at the Super Bowl. He has asked for those documents on numerous occasions and each time was told that the Town does not have them. As was the case with his past appeals, Mr. Halbig simply does not believe the Town. However, the Town cannot produce documents that it does not have and his repeated requests and the appeals cannot change that fact.

Colleen Murphy October 25, 2016 Page Two

Accordingly, to allow Mr. Halbig to continue to pursue appeals to the Commission would perpetrate an injustice to the families whose loved ones were killed at the Sandy Hook School on December 14, 2012 and would constitute an abuse of the administrative process. The Town urges you to exercise your statutory authority to refuse to schedule hearings for any of his appeals.

Very truly yours,

Monte E. Frank

NOTICE OF DECISION NOT TO SCHEDULE HEARING

The above-captioned appeal shall not be scheduled for hearing without leave of the Commission on the ground that there is reason to believe that such appeal "would perpetrate an injustice", pursuant to §1-206(b)(2)(B) of the Connecticut General Statutes, and "would constitute an abuse of the Commission's administrative process," pursuant to §1-206(b)(2)(C) of the Connecticut General Statutes.

The Executive Director is not seeking to schedule a hearing in this matter, but rather is asking the Commission to affirm her decision not to schedule a hearing. The Executive Director's decision not to schedule was based on the following factors, pursuant to §1-206(b)(3) of the Connecticut General Statutes:

- A. The Commission's resources are diminished due to budget cuts and consolidation with other state agencies, while its caseload has increased dramatically. It is impossible for the Commission to schedule a hearing for every case that is filed.
- B. The complainant has filed many requests with agencies in the Town of Newtown related to the tragedy which occurred there on December 14, 2012, which the complainant has publicly stated didn't happen. His requests and frequent derisive and insulting emails to the town and to this Commission are tantamount to harassment. A small sampling is attached in this packet, as Attachment A.

Phone: (860) 566-5682 Fax: (860) 566-6474 Email: foi@po.state.ct.us Internet: www.state.ct.us/foi/ An Equal Opportunity Employer

- C. On October 25, 2016, the respondents requested that this matter not be scheduled, pursuant to §1-206(b)(2) of the Connecticut General Statutes. A copy of that letter is attached as Attachment B.
- D. The Commission has already concluded that other complaints filed by the complainant with the Commission constituted an abuse of the Commission's administrative process. Docket #FIC2016-213 and Docket #FIC 2016-165. Thus, the complainant has a history of filing abusive complaints with the Commission.

Based on the factors set forth in paragraphs A through D, above, the Executive Director of the Commission has reason to believe that scheduling a hearing in the above-captioned appeal would perpetrate an injustice, pursuant to §1-206(b)(2)(B) of the Connecticut General Statutes, and would constitute an abuse of the Commission's administrative process, pursuant to §1-206(b)(2)(C) of the Connecticut General Statutes. Proceeding would be a waste of the scarce resources of the Commission, would unreasonably summon the respondents to Hartford for a hearing, and would needlessly delay the hearings of hundreds of other complainants. Therefore, the Executive Director shall not schedule the appeal for hearing under that provision.

The Commission shall consider whether or not to affirm the decision of the Executive Director not to schedule a hearing in the above-captioned appeal at its meeting to be held at the Freedom of Information Commission Hearing Room, 18-20 Trinity Street, First Floor, Hartford, Connecticut on **February 22, 2017 at 2 p.m.** A copy of the complaint in this matter (one page), attachment (fifteen pages) and all other documents in this matter are attached to this Notice.

Each party wishing to submit an affidavit(s) and/or written argument to the Commission regarding whether leave should be granted to hear this appeal pursuant to §1-206(b)(2) of the Connecticut General Statutes may do so. Each party submitting an affidavit(s) and/or written argument to the Commission shall certify that a copy of such affidavit(s) and/or argument was sent to all parties of record by U.S. mail, postage prepaid. The Commission requires that the original and twelve (12) copies be filed by February 14, 2016. This matter is not arguable.

NOTICE OF DECISION NOT TO SCHEDULE HEARING

The above-captioned appeal shall not be scheduled for hearing without leave of the Commission on the ground that there is reason to believe that such appeal "would perpetrate an injustice", pursuant to §1-206(b)(2)(B) of the Connecticut General Statutes, and "would constitute an abuse of the Commission's administrative process," pursuant to §1-206(b)(2)(C) of the Connecticut General Statutes.

The Executive Director is not seeking to schedule a hearing in this matter, but rather is asking the Commission to affirm her decision not to schedule a hearing. The Executive Director's decision not to schedule was based on the following factors, pursuant to §1-206(b)(3) of the Connecticut General Statutes:

- A. The Commission's resources are diminished due to budget cuts and consolidation with other state agencies, while its caseload has increased dramatically. It is impossible for the Commission to schedule a hearing for every case that is filed.
- B. The complaint involves a repetitious request for records related to a 2013 trip to the Super Bowl by a children's chorus. The respondents have repeatedly told the complainant that they do not maintain the records he seeks.
- C. The complainant has filed many requests with agencies in the Town of Newtown, particularly with the respondent Board of Education, related to the tragedy which occurred there on December 14, 2012, which the complainant has publicly stated didn't happen. His requests and frequent derisive and insulting emails to the town and to this Commission are tantamount to harassment. A small sampling is attached in this packet, as Attachment A.

- D. The Commission has already concluded that other complaints filed by the complainant with the Commission constituted an abuse of the Commission's administrative process. Docket #FIC2016-213 and Docket #FIC 2016-165. Thus, the complainant has a history of filing abusive complaints with the Commission.
- E. On October 25, 2016, the respondents requested that this matter not be scheduled, pursuant to §1-206(b)(2) of the Connecticut General Statutes. A copy of that letter is attached as Attachment B.

Based on the factors set forth in paragraphs A through E, above, the Executive Director of the Commission has reason to believe that scheduling a hearing in the above-captioned appeal would perpetrate an injustice, pursuant to §1-206(b)(2)(B) of the Connecticut General Statutes, and would constitute an abuse of the Commission's administrative process, pursuant to §1-206(b)(2)(C) of the Connecticut General Statutes. Proceeding would be a waste of the scarce resources of the Commission, would unreasonably summon the respondents to Hartford for a hearing, and would needlessly delay the hearings of hundreds of other complainants. Therefore, the Executive Director shall not schedule the appeal for hearing under that provision.

The Commission shall consider whether or not to affirm the decision of the Executive Director not to schedule a hearing in the above-captioned appeal at its meeting to be held at the Freedom of Information Commission Hearing Room, 18-20 Trinity Street, First Floor, Hartford, Connecticut on February 22, 2017 at 2 p.m. A copy of the complaint in this matter (two pages), attachment (eleven pages) and all other documents in this matter is attached to this Notice.

Each party wishing to submit an affidavit(s) and/or written argument to the Commission regarding whether leave should be granted to hear this appeal pursuant to §1-206(b)(2) of the Connecticut General Statutes may do so. Each party submitting an affidavit(s) and/or written argument to the Commission shall certify that a copy of such affidavit(s) and/or argument was sent to all parties of record by U.S. mail, postage prepaid. Re:

Wolfgang Halbig v. Newtown, Newtown School Board of Education, Chairman of Board of Education for Newtown

NOTICE OF COMPLAINT pursuant to C.G.S. sec. 1-110, et seq

Dear Commissioners:

Please be advised that this office represents Wolfgang Halbig.

On behalf of my client, I am filing this complaint against the Town of Newtown, the Chairman of the Newtown Board of Education, and the Newtown Board of Education for their violation of the Freedom of Information Act. We have repeatedly requested these public, non-exempt documents and have been denied.

Specifically, on June 8, 2016, we requested that we be allowed to inspect certain records affiliated with an out of state trip that Newtown students participated in, wherein twenty-six (26) children went to sing at the Superbowl in New Orleans on or about February 3, 2013. We requested to inspect:

- 1. Permission forms from parents of the children who attended the Superbowl trip;
- 2. NFL release forms;
- 3. Flight manifests;
- 4. Hotel bills for 4 days in New Orleans.

See Attachment A, June 8, 2016, request to inspect.

By email dated June 11, 2016, Attorney Monte Frank (for the Town of Newtown) responded via email that there were no documents responsive to our requests. See Attachment B, email message trail. On July 19, 2016, I contacted Attorney Frank via email to, once again, urge him to check to see if there were responsive documents. See Attachment B. He has not responded to this request, which is effectively a denial of our request, from which we now appeal to the FIC and lodge this complaint.

FIC Halbig v. Newtown, Et Al August 3, 2016 Page 2

Therefore, we are requesting a hearing and acknowledgement of receipt of this complaint. Thank you.

Sincerely

L. Kay Wilson

Re: Wolfgang Halbig FOIA Requests: Inspection of Records for Superbowl Trip

Dear Attorney Frank:

As you know, both me and my client, Wolfgang Halbig, have repeatedly requested, through FOIA requests, copies of the parental permission forms used for the Superbowl trip that members of the Sandy Hook Choir took on or about February 3, 2013, in New Orleans. We know that these documents exist and that the trip was approved during an executive session of the Board of Education on January of 2013.

Therefore, we are renewing our request to inspect the following:

- 1. Permission forms from parents of children who attended the Superbowl Trip;
- 2. NFL release forms;
- 3. Flight manifests;
- 4. Hotel bills for 4 days in New Orleans.

Please let us know if the inspection can take place on any of these dates:

June 21 - 22, 2016

June 27 - 28, 2016

July 13 - 15, 2016

Please notify your client(s) as soon as possible of this impending inspection. We appreciate your, and your client's, anticipated cooperation. Thank you.

Sincerely,

Attorney L. Kay Wilson

Attorney Frank,

How could there be no responsive documents to this request? It can't be possible that these children took a trip to the Superbowl in 2013 without permission forms being created and signed, at a minimum. In addition, there would be NFL release forms, flight manifests and hotel bills for the trip. Please check again with the Town of Newtown, Board of Education, Chairman of the Board of Education. Thank you, Kay Wilson

You recall my request for documents during my three day visit is for all communication between you and the Newtown School Board members and their Superintendent Janet Robinson since you really helped them settle into Chalk Hill Middle School.

All of your inspection reports before allowing them into your school that you said you turned over the Town of Monroe on July 1, 2011.

Copies of the Ct State Department of Code Compliance report that you must have made happen since it is in your school district.

Please read and you will see how very grateful they are for all you did for them.

Mr. Agostine:

If what you just stated that the Town of Monroe took over Chalk Hill School then why did you send Lazar with 26 children from the Sandy Hook Elementary School choir to sing at the New Orleans Super Bowl on Feb 3, 2013 when the Town of Monroe was now in charge of Chalk Hill Middle School?

Why did the Newtown School Superintendent and school board members not fly with them since this is by far the biggest event for those children and the Sandy Hook Community and those children and chorus teacher are from the Newtown School Distric?

I am 70 years old and really confused on such simple questions and I do truly appreciate you helping in trying to understand this issue.

Why did you send Lazar?

Please set a date for my attorney Kay Wilson and I to visit the Monroe School Board to inspect all records pertaining to the Chalk Hill Middle School starting in Jan of 2011 through the day the school opened for the Sandy Hook Elementary School children and school staff.

This includes all inspection reports prior to allowing a Child Day Care Center to open in Chalk Hill Middle School. A copy of the health certificate allowing that school to operate in a school loaded with LEAD.

We will be also looking for any documents dealing with Code Enforcement updates for Chalk Hill Middle School since it was closed for 15 plus months.

I will give you enough time to gather all of the information so you will not be frustrated when requesting during our Public Record inspections of those documents.

Look forward to meeting you and the staff.

Dear Mr. Halbig:

This is in response to your e-mail correspondence dated January 28, 2016, directed to Bruce Lazar, Principal of Stepney Elementary School, requesting documents pursuant to the Connecticut Freedom of Information Act relating to the "Feb. 3, 2013 Super Bowl Trip to New Orleans". Neither Mr. Lazar nor the Monroe Board of Education are in possession of any documents that relate to any Newtown families or students that would be responsive to your request.

Neither the Board nor Mr. Lazar have copies of any "Flight Check in sheet" relating to Mr. Lazar.

Your request would be more properly directed to the Newtown Board of Education. Should you have and questions, please direct them in writing to me. Thank you.

Sincerety.

The e-mail records show that you played a major role as the School Administrator in charge of the Feb 3, 2013 Super Bowl Trip to New Orleans then you must have been the Custodian of Records for the Monroe Public Schools and the Newtown CT Public Schools in which your records might be located.

Since you have the knowledge as a School Principal as to how CT FOIA requests work I am now requesting the following from as the administrator in charge:

- 1. Copies of all parental permission forms that you and Mary Rose Kristopik received from the 26 children's parents who attended the Super Bowl
- 2. Conies of the NFL release forms that where required from the parents before appearing on the CBS NFL telecast singing during the Super Bowl on Feb 3, 2013
- Copies of your hotel bill while staying in New Orleans at the Marriott Courtyard from Jan 31, 2013 through Feb 4, 2013.
- 4. Copies of all the parents hotel bills for the same dates as requested from you since tax payer dollars ere involved. It shows you also received per Diem for lunch and dinners while in New Orleans.
- 5. Please provide copies of all those per diems reimbursements to you, the families, the children and the three police officers and their hotel bills while in New Orleans.

Copies of the Flight Check in sheet required before departure by the children, the parents, you, the police officers and anyone else that traveled on that Chartered Southwest Airlines Jet paid for by the NFL

I heard that all of you had a BLAST but you had a GAG order by the NFL not to talk about this Trip.

So you can have a BLAST and onjoy that experience while children died and parents suffered at Sandy Hook but cannot talk about so as to bring some comfort to those parents who tost a child on Dec 14, 2012. How is that even possible you being a School principal?

Bruce Lazar an Admistrator on Loan from the Monroe School Board:

Representatives of the Sandy Hook School Chorus to Attend Super Bowl

Recently, the National Footbail League presented Newtown officials with a proposal for 26 children from the Sandy Hook Elementary School Chorus to sing during the opening exercises of the Super Bowl. The offer was accepted by school officials and forwarded to our school. After carefully reviewing all options and considering the parameters of the activity as set by the NFL, the decision was made to accept the offer. Since all our 4th grade students participate in chorus, a lottery was used to help fill the 26 choral spots. Each child was to be accompanied by an adult. Our music teacher, Maryrose Kristopik and Bruce Lazar an administrator on loan from Monroe, were asked to accompany the students.

As with all issues involving Sandy Hook Elementary School, the NFL wanted to respect the sensitivity of the situation and refrain from any publicity regarding this event.

We have been informed that a national publication has learned about the participation of our 26 students and will publish a related story this Friday. In light of these circumstances, school officials thought it would be appropriate to share the news of this event with our Sandy Hook School family.

Statements or entries generally (a) Except as otherwise provided in this section, whoever, in any matter within the jurisdiction of the executive, legislative, or judicial branch of the Government of the United States, knowingly and willfully - (1) falsifies, conceals, or covers up by any trick, scheme, or device a material fact; (2) makes any materially false, fictitious, or fraudulent statement or representation; or (3) makes or uses any false writing or document knowing the same to contain any materially false, fictitious, or fraudulent statement or entry; shall be fined under this title or imprisoned not more than 5 years, or both.

COPIES OF THE MONROE PUBLIC SCHOOL BOARD CONSENT AGENDA OR FIELD TRIP DOCUMENTS SHOWING THAT THE MONROE SCHOOL SUPERINTENDENT AND MONROE SCHOOL BOARD APPROVED THIS TRIP FOR 26 CHILDREN FROM THE SANDY HOOK ELEMENTARY SCHOOL NOW LOCATED IN MONROE, CT.

Sharing history with the School Administrator in charge of the Super Bowl Trip to New Orleans

- 4) On February 1, 2015, you requested:
 - "Copies of those 26 children Parental Field Trip permission forms holding the school board harmless if something where to happen to them on this field trip.
 - Copy of the School Board approved Field Trip Application signed off by the school board that was submitted by Sandy Hook Elementary Chorus Teacher requesting permission to attend the Super Bowl in New Orleans and perform with 26 children from the Sandy Hook Elementary School on Feb 3, 2013.
 - Copy of the Chours Teachers out of State In line of duty request form approved by the school board showing dates of when leaving and dates when returning signed by school principal and approved by the school hoard."

Response: The Town does not possess responsive documents.

AS YOU CAN SEE FROM THE NEWTOWN SCHOOL BOARD ATTORNEY MONTE FRANK THE NEWTOWN SCHOOL BOARD HAS NO RECORDS. SO MIF THEY DO NOT HAVE THEM THEN YOU MUST BECAUSE OF THE HUGE LIABILITY RISKS THAT COULD HAVE SURFACED IF THAT JET CRASHED ON THE WAY TO OR BACK FROM THE SUPER BOWL:

Kathy;

You don't return my phone calls and now I am requesting again the following which has nothing to do with the criminal investigation or places children and school staff at risk.

Please provide quickly.

Please provide me with copies of the contracts and costs for the Crime Scene Cleanup in Decontaminating and Sanitizing the Sandy Hook Elementary School after Dec 14, 2012.

The School Districts was considering allowing children and school staff to return to the school and now they have decided just to tear it down.

Who was the company that you the police allowed in the school providing me with the start date and end date of removing all of the Bio-Hazard materials.

Copy of the licenses that the company provided to you for transporting Medical Waste.

They would have to remove all the blood, bodily fluids, brain matter, skull fragments and around 45-60 gallons of blood based on the number of children and school staff shot and killed that day.

I am the Chief Investigator for the Children's Safety Institute and a School safety Expert which now requires this information to be made available since it has been 11 month and you have not even provided a simple police or incident report.

If you do not have that information then please direct me to the agency that would have been responsible for decontaminating the crime scene and Sanitizing it since you allowed them into the school to remove furniture.

My address is 25526 Hawks Run Land Sorrento, Florida

Re: FEMA 2015-FEFO-00235

Dear Mr. Halbig:

This acknowledges receipt of your February 2, 2015 Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA). Your request was received in this office on February 2, 2015. You are seeking copy of the following:

- 1. Please provide me with copies of log sheets in which financial reimbursement by FEMA was documented and provided during the Sandy Hook Elementary School shooting on Dec 14, 2012 and or prior days for exercises.
- 2. Please provide me copies of the Emergency Operations Center financial reimbursements at Newtown, Ct during the Sandy Hook Elementary School Shooting on Dec 14, 2012 and or prior days for exercises.
- 3. As you Emergency Operations Center when opened because of a Mass Casualty Situation is an event that is tracked by FEMA and all actions for that Center is reimbursable by FEMA and should also show and be able to provide the after action reports conducted by FEMA staff.
- 4. Therefore please provide copies of the After Action reports documented by FEMA to justify the financial reimbursements to the City of Newtown, Sandy Hook Volunteer Fire department and the EOC of Newtown.
- 5. Provide copies of FEMA reimbursements for any flood activities when the Sandy Hook Elementary School was flooded in 2009. 2010, 2011 to the Newtown Public school board.

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Per Section 5.5(a) of the DHS FOIA regulations, 6 C.F.R. Part 5, the Department processes FOIA requests according to their order of receipt. Although FEMA's goal is to respond within 20 business days of receipt of your request, the FOIA does permit a 10-day extension of this time period. As your request seeks numerous documents that will necessitate a thorough and wide-ranging search, DHS/FEMA will invoke a 10-day extension for your request, as allowed by Title 5 U.S.C. § 552(a)(6)(B). If you care to narrow the scope of your request,

Exhibit 31-A

please contact our office. We will make every effort to comply with your request in a timely manner; however, there are currently 878 open requests ahead of yours.

Provisions of the Act allow us to recover part of the cost of complying with your request. We shall charge you for records in accordance with the DHS interim FOIA regulations as they apply to non-commercial requestors. As a non-commercial requestor, you will be charged 10-cents per page for duplication, although the first 100 pages are free, as are the first two hours of search time, after which you will pay the per quarter-hour rate (\$4.00, \$7.00, \$10.25) of the searcher. We will construe the submission of your request as an agreement to pay up to \$25.00. You will be contacted before any further fees are accrued.

More information concerning the FOIA and implementing DHS regulations is available on-line at: www.dhs.gov/xfoia/editorial_0318.shtm.

We have queried the appropriate program offices of FEMA for responsive records. If any responsive records are located, they will be reviewed for determination of releasability. Please be assured that one of the FOIA Specialist in our office will respond to your request expeditiously as possible. We appreciate your patience as we proceed with your request.

Your request has been assigned reference number **FEMA 2015-FEFO-00235**. Please refer to this identifier in any future correspondence. If you need to contact our office concerning this request, please call (202) 646-3323 or electronically at <u>FEMA-FOIA@dhs.gov</u>.

AS you know Sandy Hook Elementary School Shooting was a National Disaster since it was the worst Elementary School shooting in US history.

FEMA always steps in when the Emergency Operations Center is activated and provides financial reimbursements for every minute from the time it opens to the time it shuts down.

It maintains accurate records since the tax payers are paying for this bill so please provide those records submitted by the Emergency Operations Center, the City of Newtown, the CT State Police and the Newtown Public schools for reimbursements after submitting detail records for those expenses.

Re: FEMA 2015-FEFO-00262 Final Response

Dear Mr. Halbig:

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), dated and received by this office on February 12, 2015. You requested the following:

- 1. Please provide copies of the FEMA SEVERE WEATHER declared Emergency reimbursement to the Newtown Public Schools for Flooding and other damages to the Sandy Hook Elementary school in 2011.
- 2. Please provide copies of the FEMA SEVERE WEATHER declared Emergency reimbursements for the Emergency Operations Center in Newtown of Sandy Hook for the 2011 Declared FEMA Weather Emergency.
- 3. Please provide copies of documents submitted by Newtown Public Schools, City of Newtown, Sandy Hook for reimbursements by FEMA in the FEMA Declared Weather Emergency causing heavy flooding in Fairfield County, Connecticut and especially the flooding at the Sandy Hook Elementary School.

We conducted a comprehensive search of FEMA's Region I for documents responsive to your request. The search produced a total of one page. After carefully reviewing the responsive document, pursuant to the FOIA, 5 U.S.C. § 552, we have determined the document is appropriate for release. It is enclosed in its entirety; no deletions or exemptions have been claimed.

Provisions of the FOIA allow us to recover part of the cost of complying with your request. In this instance, because of the delay in responding to your request, we are waiving any fees associated with the processing of it.

If you have any questions or would like to discuss this matter, you may contact this office at (202) 646-3323 or electronically at <u>FEMA-FOIA@fema.dhs.gov</u> and refer to **FEMA 2015-FEFO-00262.**

Subject: Urgent request.

Freedom of Information Act Request:

Can you please provide me with the F.E.M.A. Sandy Hook School Shooting NIMS or ICS evaluations.

You had over 8 F.E.M.A evaluators on site during the shooting since you could see their I.D badges with pictures provided by observers from the Catholic Church.

NIMS and ICS is your brainchild which requires every school district to have all staff members trained in the NIMS or ICS Emergency Response protocols.

So I cannot imagine that after millions and millions of tax payer dollars that FEMA would not want to evaluate one of the most heinous and horrendous crimes in US school history.

How did NIMS work or How did the ICS command Center work at Sandy Hook on Dec 14, 2012?

It show clearly show who the stupid person in the command center was that did not request the Trauma Helicopters for children and school staff's urgent medical care.

It should clearly show who the stupid individual was at the command center who did not allow the paramedics or the EMT'S inside the Sandy Hook Elementary School to provide immediate medical care to those clinging to life.

It should show who the stupid individual at the command center was who declared all 25 children and adults legally dead within the first 8 minutes of the school shooting.

It should show pictures of this massive school evacuation of 500 children and school staff. I am sure that the command center would have documented that massive evacuation.

It should show in the evaluations as to why the first police units parked a 1/4 of a mile away from the school when first responding and waiting for backup. That is not the first responder new protocols is it?

It should show why a 24 year veteran of the Newtown police department on an off duty work detail at a construction site not respond to shots fired at an Elementary School until 2 and a half hours after shots are fired. He stayed at the construction site. Is that a new FEMA directive?

When are parents not allowed to see their dead children at the morgue? Is that a new FEMA directive?

Please provide all of those answers as quickly as possible since I am the Chief Investigator for the Children's Safety Institute that protects Children with Autism and now since this shooting has cast a malicious stigmatizing effect on all children with Autism as potential killers if not supervised properly, this report is vital.

Thank you and please mail your FEMA evaluation to 25526 Hawks Run Lane, Sorrento, Fla 32776

Re: FEMA 2014-FEFO-00422 Final Response

Dear Mr. Halbig:

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), dated February 9, 2014 and received by this office on February 10, 2014. You requested documents regarding FEMA's National Incident Management System (NIMS) or Incident Command System (ICS) evaluations for the shooting which occurred on December 14, 2012, at the Sandy Hook Elementary School.

We conducted a comprehensive search of files within FEMA's Region I office for records that would be responsive to your request. We were unable to locate or identify any responsive records.

While an adequate search was conducted, you have the right to appeal this determination that no records exist within FEMA that would be responsive to your request. Should you wish to do so, you must send your appeal and a copy of this letter within 60 days of the date of this letter to the subsequent address: FEMA, OCAO/Records Management Division (FOIA Appeals), 500 C. Street, S.W. Mail Stop 3005, Washington, DC, 20472-3005, following the procedures outlined in the DHS FOIA regulations at 6 C.F.R. § 5.9. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia.

Provisions of the FOIA allow us to recover part of the cost of complying with your request. In this instance, because the cost is below the \$14 minimum, there is no charge. 6 C.F.R. \$5.11(d)(4).

If you have any questions or would like to discuss this matter, you may contact Monique Booker-Kasper, FOIA Team Lead, at (202) 212-2302 or electromically at Disclosure-Unit-TeamA@fema.dhs.gov. Please reference this FOIA request, FEMA 2014-FEFO-00422.

Public Records as an Officer of the Court?

Mr. Halbig,

As you are fully aware, your current FOIA requests are being processed. The State Police Newtown investigation has been disclosed and you have been provided with the link. With respect to Newtown PD reports, you need to obtain them from the originating agency, the Newtown Police Department. While some of the reports may have been contained within our report and may have been disclosed in a redacted fashion as you seem to claim, we are not the repository for those reports. Moreover, frequently, things such as dash camera footage from other agencies are seized and logged as evidence in connection with an investigation. Seized property such as this is not discloseable under the Freedom of Information Act, however it may be available from the originating agency (here, Newtown Police Department).

We will log in and process your new requests.

Christine:

How many more times do I need to request CT FOIA documents from your office in which you do not even return phone calls or provide those documents in a timely manner.

Example:

You send me a letter on Oct 19. 2015 telling me after requesting the investigative reports of:

1. The chief Kehoe report is completely redacted for what reason I do not know because you cannot hear him in any dispatch, transmission for the first hour on Dec 14, 2012.

- 2. Captain Jose Rios provides only two paragraphs in his investigative report but shows that he also provided a supplemental report which is not in the final documents. So my requests was for his entire report for DEc 14, 2012 which you have failed in providing me under the CT FOIA laws.
- 3. Lt Sinko entire investigative report is missing from the final report and under CT FOIA I requested that document from your office and gain NO response except to tell me to contact the Newtown Police for those documents which I did and their response was that the CT State Police were in total control of the investigation and have all of our reports. So with that said why do you think I contacted your office for those reports under the CT FOIA laws?
- 4. The Lt Robinson investigative report is completely missing from the final CT State Police report, which is so out of place since he is a commanding officer of the Newtown Police Department. Again under the CT FOIA laws provide his final report to me.
- 5. Now why is Lt Vanghele complete final investigative report in the final CT State Police documents but you refuse intentionally to release the other command officers of the Newtown Police Department investigative reports for their actions on Dec 14, 2012. Why? These are Public Records for Public Employees.

The next request under the CT FOIA laws:

Provide copies of all communication phone, e-mails or letters with my attorney Kay Wilson with Christine Plourde beginning on April 10, 2015 through Dec 1, 2015.

Provide a copy of the record for certification of the Sgt McLain Flight Log for Dec 14, 2012 that Kay Wilson personally picked up in your offices on June 1, 2015.

I am still waiting for Sqt McLains Military orders for April 20, 2015 through June 11, 2015

I am still waiting for his CT State Police attendance records for work from April 20, 2015 through June 11, 2015.

These are such simple requests and again, I just do not understand your failure in complying with CT FOIA Laws.

Please act accordingly to the CT FOIA LAWS and provide those documents to me by mailing them directly to my home.

You have \$150.00 in my account with your state and please use those funds for the cost of producing those documents and mailing.

Mr. Halbig

I have copied your latest request from your email (below). The Town of Newtown's response is the same as many other responses to your previous requests for documents. Of note here, The Newtown Police Dept. does not possess "a complete action report". All statements taken by the Conn. State Police from any officer of the Newtown Police Department are in the sole possession of the Conn. State Police. The Newtown Police Department does not possess any investigative statements or reports of Newtown Police Officers for the events at Sandy Hook Elementary School or 36 Yogananda on 12.14.12. You have received with previous requests, all documents as defined under FOI that are in the Newtown Police Dept's possession. Therefore, your repetitive requests for documents not in our possession, will be met with the same answer: No Responsive Documents.

Kehoe:

Here you have it in their own words that you are the keeper of your own investigative reports not as you stated that the state has all of your reports.

If Lt Vangeheles report is Public record why is yours and the others listed inthis CT FOIA request Not Public Record?

<u>Please provide me with you complete action report for Dec 14, 2012 and that of your other command staff members.</u> No responsive documents.

Why am I keep getting the run around by two different police agencies?

You can call here to verify that she says you have your own copies since you are the orginating agency.

Need your full report not redactedRios full report plus his supplemental No Responsive Documents.

Lt Sinkos full report No Responsive Documents

Lt Robinsons full report No Responsive Documents.

First Selectman Liorda:

Please provide copies of all and every FEMA application for named storm damages and requests for reimbursement starting in 2010 through current year.

Named Storm FEMA application for 2009-2010 and a copy of all the storm damages and request for reimbursements approved by FEMA with a copy of the check

Named Storm FEMA application for 2010-2011 and a copy of all storm damages and request for reimbursements approved by FEMA and a copy of the check.

Named Storm FEMA applications for 2011-2012 and a copy of all storm damages and request for reimbursement approved by FEMA and a copy of the check

The reason for the CT FOIA FEMA requests is that during each Council Meeting you go on Public Record stating that FEMA has reimbursed Newtown, CT for all storm damages for named storms for each of those years requested.

You are on Public record so in order for you to receive FEMA funds you must first file an application showing damages and staff time repairing those damages for reimbursements.

Copies of FEMA official report authorizing those expenditures you submitted and what they allowed you to receive.

Copies of the checks you received for each FEMA designated storm

Please let me know the cost and my Attorney Kay Wilson will send you a check.

Subject: CT STATE FREEDOM OF INFORMATION REQUEST FOR PUBLIC RECORDS

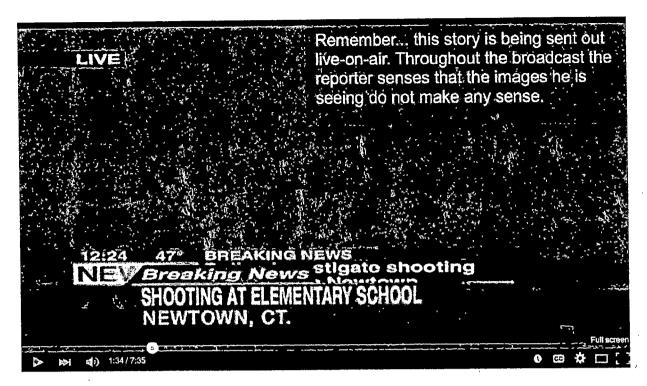

Plourde and Webster;

You both have cost me to spend thousand of dollars in attorney fees and plane tickets when I have requested simple CT FOIA requests which should have been easy to find and process.

So with that said, I am now again requesting from your CT State Agency evidence that should and must have been seized by your Ct State Major Crime Squad if they did their job.

The worst Elementary School Shooting in US History and NO where in your final report you provided me a link to shows the evidence that they have collected during this heinous crime on Dec 14, 2012:

The chase in the woods captured by the National News Media helicopter is vital evidence showing police officer's giving chase and eventually capturing a suspect in the woods prone out and handcuffed and with a k9 keeping him at bay.

This video footage is by far the best evidence that the Major Crime Squad should have or will it be the Newtown Police Department again since you love telling me to go back to the Newtown Police Department for my evidence.

Under the Connecticut Freedom of Information Act § 1-200 et seq., I am requesting an opportunity to inspect within the next 30 days and obtain copies of public records that will show:

Under the CT State FOIA laws I am demanding copies of all News helicopters videos that you seized on Dec 14, 2012 since it clearly shows the Active Crime scene and all of the actions taken place within that perimeter between various police agencies.

Now that is evidence that must have been seized or this will be a sure sign of outright negligence by an investigative police agency. I hope that the FBI did their due diligence in seizing this evidence if you did not.

1. Please provide copies of every News helicopter videos that video tape the crime scene and its perimeter especial the chase in the woods and the handcuffed man escorted by Captain Rlos.

Below is just one example that you need to provide me since it even shows CT Governor Dan Malloy arriving at the Sandy Hook Volunteer Fire House with the correct time shown on the screen.

This is what we in law enforcement call evidence and if you conducted a true investigation using the Newtown Police, FBI and the CT State police then with all three of you someone would have seized those videos for evidence.

WTNH:

https://www.youtube.com/watch?v=AeyGZ3rHxpE

2. Provide copies of the entire helicopter video with date and time stamps on each one of them since this is how they store them.

I will pay for all for all copying and mailing of those videos to my home.

Chief Viadero:

Under the Connecticut Freedom of Information Act § 1-200 et seq., I am requesting an opportunity to inspect within the next 30 days and obtain copies of public records that will show:

I have attached pictures of a chase in the woods that was televised across the country

Exhibit 35-B

once Robert Nute the Newtown Police Dispatcher made the police transmission stating that a teacher saw two shadows running behind the Gym.

- 1. We observe this huge chase in the woods and therefore I am requesting a copy of that video showing your officers in that chase on Dec 14, 2012. Those videos are evidence and should be in your possession unless you are going to tell me that the CT State Police have them.
- 2. Please provide copies of their narrative police reports as to their specific actions during that chase in the woods listing who informed them that they are chasing a man in the woods.
- 3. Please provide copies of the NCIC report after you proned out and handcuffed the individual you captured in the woods.
- 4. Provide copies of all News helicopter videos that you seized that as you is is considered evidence during the worst Elementary School Shooting in US History. I am sure that your agency being the jurisdiction in which this Mass Shooting happened did Seize the evidence of that crime. It would truly be embarrassing if you the Newtown Police Department and the Danbury District State Attorney failed to follow crime procedure protocols in collecting evidence.
- 5. Provide copies of all the pictures Shannon Hicks took showing the true date and time she took those pictures on Dec 14, 2012 since she committed a crime by entering an Active Crime scene sneaking by Newtown Police officers half way down Dickenson Drive per Officers Kullgren official police statement in which he states that he was waiting for other units to arrive. So how did Kulgreen and the other Newtown Officers allow an Associate Editor from the Newtown Bee to commit this crime in exposing minor children faces and violating their individual privacy along with those parents in her photograhs for monetary gain?
- 6. Provide copies of all her photographs since they are evidence of a crime on Dec 14, 2012 and should have been seized by the Newtown Police Department in the event Adam Lana or the other possible shooter you were chasing lived and had to be taken into a courtroom to stand trial.

Identify each of these officers by name in the chase since you directed them to capture a suspect in the woods. I hope you remember who was involved?

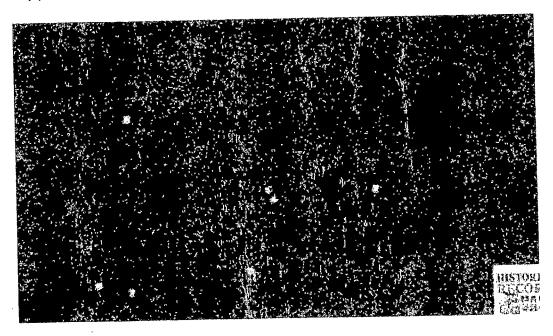

If you cannot remember that famous chase I will send you my secret copy which someone provided me with date and time stamp showing the live chase starting at 1:23

pm and it begins at the front entrance of the Sandy Hook Elementary School with many other police officers standing around and watching this great chase.

Anything I Can do to help just let me know.

I did this kind of work along time ago and this brings back so many memories.

How did the K9 get to the scene so quickly? Who was that officer and please provide me a copy of his or her report on the chase.

As you can by the helicopter footages you have seven police ooficers chasing a man in the woods.

So again under the CT FOIA Freedom of Information Act please and again I say please provide me the names of these police officers and the name of the suspect captured on Dec 14, 2012. As you know all News helicoptyer Video is evidence in the worst Elementary School Shooting in US history and I am sure relaized that it is evidence.

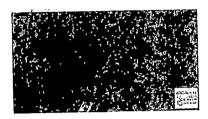

I will pay for all of the News Helicopter videos taken on Dec 14, 2012 and for copying all of the records requested.

Please mail directly to my home and my attorney Kay Wilson will write a check to pay for the production and mailing costs.

Re: Wolfgang Halbig v. CT Dept. Energy & Environmental Protection NOTICE OF COMPLAINT pursuant to C.G.S. sec. 1-110, et seq.

Dear Commissioners:

Please be advised that this office represents Wolfgang Halbig.

On behalf of my client, I am filing this complaint against the Connecticut Department of Energy & Environmental Protection ("CT DEEP") for its failure to comply with basic requests for public, non-exempt documents under the Freedom of Information Act.

On or about June 30, 2016, via email, my client requested the following from the CT DEEP:

- 1. The incident reports for the 7 DEEP officers chasing someone in the woods in the Sandy Hook Elementary School woods at 12:23 p.m. on Dec. 14, 2012;
- 2. K-9 unit incident reports for Dec. 14, 2012, regarding Sandy Hook Elementary School incident;
- Complete copy of Capt. Raul Comego's personnel file, excluding medical records, and his complete incident report for Dec. 14, 2012 when responding to the Sandy Hook shooting;
- Copy of the investigative report of the suspect they handcuffed in the woods who was prone out;
- 5. Copy of the audio transmission between those 7 DEEP officers in capturing the suspect in the woods on Dec. 14, 2012 at 12:23 p.m.

See Attachment A.

The CT DEEP letter, on or about June 30, 2016, directed to my client was essentially non-responsive. See Attachment B. To date, the CT DEEP has failed to provide the requested documents.

Chief Viadero:

This is part of an earlier CT FOIA request in which I totally forgot to request the following in light of Maureen Will great workshop she performed in at a National 911 Operators Conference telling them on how great of a job she did on Dec 14, 2012.

As you must know she is your Director of the Newtown, Police Communication Center on Dec 14, 2012.

She was very proud to let all the participants know that she and her staff received only 4 landline 911 calls that morning so my request should be very simple to comply with.

Remember she told everyone that she only received four 911 calls that morning of Dec 14, 2012.

1. Provide the audio recordings of each of those four 911 calls that came in on Dec 14, 2012 FROM 9:00 AM TO 11:00 PM to the Newtown Police call center that morning. She failed to list the fourth caller which we now know you have on the recordings.

- 2. Provide the Call for Service Report which former Chief Kehoe stated under oath at the CT FOIA Hearing as being the official document for the call center. Each of those calls should show a full and complete report as required by the CAD system.
- 3. Provide the Incident Log for Dec 14, 2012 beginning t 9:00 am through 11:00 AM which should show these four 911 calls for service requiring an Incident number and an officer names to respond to that incident.

She bragged on her speech on what a great job the CAD system did in providing accurate data to pull from. Keeps great records so with that said let's see those records.

Again, each 911 call must or should show on the Call for Service Report, each call should have an audio recording and they should all show up on the Newtown Police Incident Log showing that this is how the Newtown CT Police Department Dispatch Communication Center works as a team in documenting the facts.

Please watch her great performance since she is truly proud of how great she did and told everyone that it was the CT State Police that received over 200 cell phone calls and that was great for her team.

So now we will file a CT FOIA requests for 200 CT State police 911 calls they received in Southbury Troop A from cell phones on Dec 14, 2012.

Those are her words and testimony to 911 call center professionals from across the country when you watch this video of her show.

https://www.youtube.com/watch?v=6Fo9cA7WeVQ

Initial 911 Call

- 0935 hours first call received
 - Bob
- 0937 hours second call received
 Jen
- 0939 hours third call received
 Bob

I will pay for all copying and please send the invoice to my attorney Kay Wilson for payment.

Please mail this CT FOIA request documents to my home directly to save time.

Thanks

Subject: CT FREEDOM OF INFORMATION ACT REQUEST OVER AND OVER AGAIN WITH NO RESPONSIVE DOCUMENTS BEING PROVIDED WHICH ARE CLEARLY PUBLIC RECORDS

Christine:

I do not know what it is about you and your office.

Exhibit 39

To completely ignore my CT FOIA requests is now getting very old and tiresome.

You are forcing me to hire an attorney in order to simply get public records that anyone should have access to and be provided those documents in a timely manner as prescribed by the CT FOIA Laws.

You are intentionally causing and Inflicting Emotional Distress on this 70 year old Senior Citizen who served his country and worked in law enforcement.

Again, this is my CT FOIA request which I know you have on file since you have had it for three years.

1. Provide the Dash Cam videos of the 39 CT State Troopers that I have listed on a previous CT FOIA request to your office when they responded to the Sandy Hook Elementary School Shooting on Dec 14, 2012.

I have identified them by name and their Police ID number.

How simple can that be even an eight grader could find that information on your computers.

2. Provide me with the 200 plus 911 calls CALL FOR SERVICE REPORT that the CT State Police received on Dec 14, 2012 between the hours of 9:00 am to 11:00 am on Dec 14, 2012 regarding the Sandy Hook School Shooting.

I have attached a sample of what the Newtown CT Call for service report looks like so you will not be confused.

The CALL FOR SERVICE REPORT should list the date and Time of the call received by CT police Dispatchers.

It should list the name and phone number of the caller and the Nature of the Emergency Call.

This will be a hard copy report for each of those 200 calls that the CT State Police received from Cell phones.

3. Provide me with hard copy the INCIDENT LOG for each of those 200 or so 911 calls for Dec 14, 2012 from 9:00 am to 11:00 am that match the CALL FOR SERVICE report since each 911 call must have an incident number assigned.

List the date and time of the 911 calls received by CT STATE police dispatchers. List the name of the caller and phone number and the nature of the 911 call.

Again, I believe an eight grader could find that data on your computer if given access to that data.

Maureen Wills of the Newtown Police Communication Center clearly stated since she is the Director at the national 911 Operator Conference that the CT State Police received over 200 or so 911 calls and she was glad they did and not her center.

With that said we now know who has those 911 calls so please comply with the CT FOIA laws and process my request quickly since the FOIA offices are swamped with CT FOIA requests.

I will, pay for copying and mailing to my home

25526 Hawks Run Lane Sorrento, Florida 32776

Thanks

FAA requires it, Insurance Company requires it and the court system requires it if a case goes into a courtroom.

Dear Antoinette:

I received you response to my CT Freedom of Information Act from your office.

6. Provide the video and all copies of pictures that are dated and time stamped that where taken from the Det aboard Ct State Trooper One (Det Vincent Gogluicci). You directing me to the www.ct.gov/despp is reckless and very unprofessional by you since you know that this 7000 page Ct Police report is called a Data Dump by the Governor Malloy's own Sandy Hook Advisory Commission. Now you want me to find it in the data dump.

His video and his photographs dated and time stamped showing that it his work product.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$ 200.00.

The Connecticut Freedom of Information Act requires a response within four business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or this entire request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you

Sincerely,

Wolfgang W Halbig

Still waiting.

Cannot wait until the Jury in my Federal Civil, Trial in CT can see all of these CT FOIA public record requests get totally ignored by the Newton,

Please again I am asking you to comply with the CT FOIA laws.

Kathy:

I have attached Thomas hen nick from the CT FOIA offices so he ac personally observe how the Newtown CT School Board responds to my CT FOIA request which are Public Records but are never processed by the school board.

I am requesting all work orders from Dawn Hochsprung, Kevin Anzelotti or Gino Failea or any other school district or Government employee at Sandy Hook Elementary School ordering the Bus Drop off and pick up area to painted with Traffic Yellow stripes with signage on the pavement

1.Provide copies of the work order requesting that work to be done.

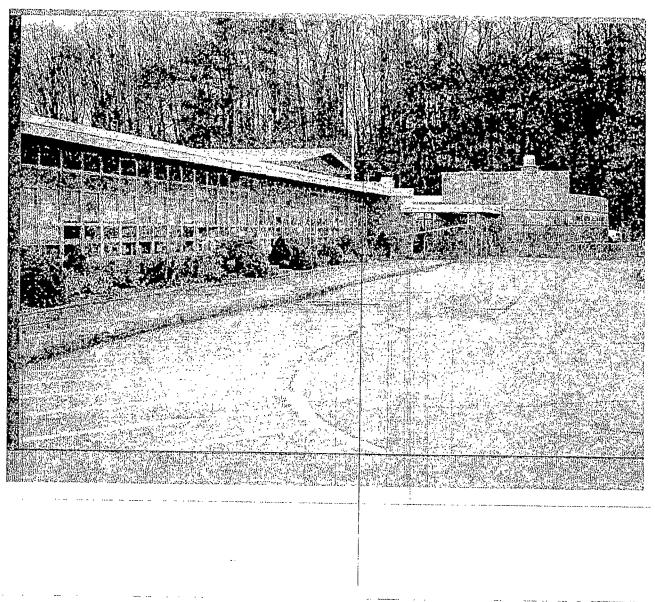

2. Provide copies of the work order showing the completion of that project.

3. Provide copies of the material uses such as the type of yellow traffic paint used and how much paint purchased with receipt of the paint

I will pay for all copying and mailing to my home since I NO longer have an attorney.

Chief Viadero and Frank:

This is again an official CT FOIA request that I have never received as a complete set of documents.

I am today requesting copies of all the 911 calls received by the Newtown, CT Police Dispatcher for Dec 14, 2012 starting at 9:00 am through 5:00 pm

It is the official call for Service Report on your CAD system

Example provided below since you only provided me one copy for my CT FOIA request which requested all 911 calls on the Call for Service reports

This is the only copy Monte Franks send to me again withholding my CT FOIA documents intentionally.

I am NOT asking to the Incident Log just Detail Call for Service reports.

How did you at the Newtown, CT police Department know at 9:35 am on Dec 14, 2012 the Tag number of Lanza's Car which was not yet called in?

It is the first official police document with NO police officer calling it in until 9:42 am Penna.

Magic I guess?

Now under the CT FOIA laws I am requesting all copies of the 911 Call for the Detail Call for Service Reports as shown in the picture which I know you must understand by now.

911 calls received from 9:00 am through 5:00 pm on Dec 14, 2012 to the Newtown, CT police dispatcher that logged those calls just as they did this one.

Why would you only send me one and not all as requested.

I will pay for all copying and mailings,

Book 1 - 00263454 (Closing report) Page 6: "On the morning of December 14, 2012, the shooter, age 20, heavily armed, went to Sandy Hook Elementary School (SHES) in Newtown, where he shot his way into the locked school building with a Bushmaster Model XM15-E2S rifle. He then shot and killed the principal and school psychologist as they were in the north hallway of the school responding to the noise of the shooter coming into the school. The shooter also shot and injured two other staff

members who were also in the hallway.

Book 1 - 00263454 (Closing report) Page 14: "On the morning of December 14, 2012, the shooter parked his 2010 Honda Civic next to a "No Parking" zone outside of Sandy Hook Elementary School in Newtown, Connecticut13 Shortly after 9:30 a.m. he approached the front entrance to the school.14 He was armed with a Bushmaster Model XM15-E2S rifle (also Bushmaster rifle), a Glock 20, 10 mm pistol and a Sig Sauer P226, 9 mm pistol and a large supply of ammunition.

The doors to the school were locked, as they customarily were at this time, the school day having already begun. The shooter proceeded to shoot his way into the school building through the plate glass window to the right of the front lobby doors.

The main office staff reported hearing noises and glass breaking at approximately 9:35 a.m. and saw the shooter, a white male with a hat and sunglasses, come into the school building with a rifle type gun. The shooter walked normally, did not say anything and appeared to be breathing normally. He was seen shooting the rifle down the hallway.

Book 1 - 00263454 (Closing report) Page 22: "The main entrance to the school was located next to the large glass window that the shooter shot out to enter the school. A patio area was just before the entrance doors. The entrance to the lobby consisted of two sets of locked full glass doors that opened outwardly using a pull handle. They were separated by a small vestibule. The doors were secured with an electronic locking mechanism. The doors could be opened from the inside with a horizontal push bar across the middle of the door."

Book 3 and Book 5 - 00001629. During a family meeting with a surviving child and his/her family, Det. Rachel VanNess documented that: "As was done with xxx, this Detective showed xxx a simplified map of the entrance to the school and the 1st grade hallway and stated and showed them that what was known at this time is that the shooter entered the lobby through the front glass area of the school, and ultimately walked to the left into the first grade wing, entering and shooting in both Rooms #8 and #10."

Book 3 and Book 5 - 00258876. During a family meeting with a surviving child and his/her family, Det. Rachel VanNess documented that: "This Detective showed the xxx the simplified map of the entrance to the school and the 1st grade hallway and very simply stated and showed them that what was known at this time is that the shooter entered the lobby through the front glass area of the school, and ultimately walked to the left into the first grade wing, entering and shooting in both Rooms #8 and #10."

Book 6 - 00122995 (Supplemental reports from the State Police Emergency Services Unit): "After exiting the vehicle, LANZA used the Bushmaster rifle to shoot out the floor length glass window located to the immediate right of the locked entrance to the school. LANZA entered the school and walked into the administrative office."

Book 8 - 00180469: (24-Hour Background Adam Lanza): "Sometime before 0935 hours, the shooter entered the main lobby of Sandy Hook School by shooting his way through the glass window. For the next several minutes the shooter fired multiple rounds murdering twenty-six children and teachers while wounding staff. At 0940 hours, the final shot is fired, which is the suicide shot killing the shooter. At 0951 hours, first responders located the shooter deceased within classroom #1 0 (Refer to CSP timeline.)"

Robert and Thomas:

This is my **Second request** under the CT Freedom of Information Act and in your case the US Freedom of Information Act if you are being paid by the US Government.

I request urgently that you provided the following since the First Selectman in Newtown CT under oath stated that Homeland Security put up that huge traffic sign that read "EVERYONE MUST CHECK IN". So you are in possesion of the Sign in Log therefore we request a complete copy of that sin in log for all days that sing was posted and she stated it was there Dec 14, 2012.

I am now requesting under the CT and US FOIA laws the following in a prompt and timely manner and professional manner since you work for our government.

- 1.Copies of the Check in Log that you required on Dec 14, 2012 and all other days thereafter as quickly as possible
- 2. Copies of the Porta Potties bill from Chatfield Porta Potties in South bury CT.
- 3. Copies of all the food orders for lunch inside the Sandy Hook Elementary School on Dec 14, 2012
- 4. Copies of the water bill that you ordered for the drill on Dec 14, 2012.
- 5. Copies of the evaluation forms that where filled out by all those inside the Sandy Hook Elementary School, that you had lunch with.
- 6. Copies of all the overtime logs that the US Homeland Security and FEMA reimbursed Newtown and Sandy Hook Emergency services. Pay went to police offciers for overtime as you know what I am talking

about.

Now this information came from the First Selectman Patricia Lliorda in which she stated that Homeland Security was responsible on that day.

With that said you are busted and if you do not comply with my CT and US FOIA request we will see you in Court via lawsuits and your right raised just like the Police Chief of Newtown just did and committed Perjury.

When you have someone under oath testify that you are responsible then I urge you to comply with my requests in a timely and prompt manner.

Please tell me the cost and I will pay for all the work

Why are you at Sandy Hook Elementary School on Dec 14, 2012 during a school shooting?

Why are you putting up this huge Traffic Sign programed to read that EVERYONE MUST CHECK IN?

Why did you order Porta Potties from Chatfield Port Potties in South bury CT?

Why did your order all that food for lunch for you and other police officers to eat inside the Sandy Hook Elementary School with dead children and dead school staff inside.

Why did you require them to fill out evaluations forms of the exercise?

I hope that those bananas tasted good since it appears that they like them when they ate them by the police cruisers when they arrived. Picture attached.

I am now requesting under the CT and US FOIA laws the following in a prompt and timely manner and professional manner since you work for our government.

Please note this correction to my previous FOIA request of 12-6-17. I mistakenly described a road sign below as reading "All Visitors must check in". The sign actually read "EVERYONE must check in" as shown in the attached photos.

This email shall serve as my official request for a document or documents as provided under the Official State of Connecticut Freedom of Information Act. Please provide a single, certified, official copy of the following official State of Connecticut documents. Please inform me of the costs so that I may provide timely payment for the requested items.

My first request asks for the "official record" as purportedly required by a portable road sign temporarily parked on a public road at Sandy Hook, Connecticut, 06482 in the vicinity of Riverside Road at Dickenson Drive on December 13, 14 and 15, 2012.

The sign reads "Everyone must check in". I have attached two photographs of the sign as parked, up and running, purporting to be for the December 14 and 15 period. However, the sign could have been in that exact photographed location as early as June of 2012 for the pictured event so, I still want the "Check In" record as purportedly produced by the operators and "Everyone" that observed, complied with and acted upon the instruction and command of the sign.

1__Please provide a single, certified, official copy of the actual check in paper log, sign-in sheet, or other resultant record derived from any and all Electronic recording, magnetic tape, card or computer chip reader that "Everyone" was required to "sign", or "Check in" on or with.

This request includes any and all pre made visitor's lists that the sign operators used as a check-off for all visitors checking in during the relative periods mentioned above.

2_Please provide the official Connecticut State Police Standard "Operating Procedures" Manual for the State Police Helicopter, "Trooper 1", as published for the period 2011 through 2013. I am primarily interested in the "operating procedures" book in use from June 2012 through December 2012. The words book, manual, paper, instruction and orders all have the same meaning in this request.

However, the sign could have been in that exact photographed location as early as June of 2012 for the pictured event so, I still want the "Check In" record as purportedly produced by the operators and the "visitors" that observed, complied with and acted upon the instruction and command of the sign.

1__Please provide a single, certified, official copy of the actual check in paper log, sign-in sheet, or other resultant record derived from any and all Electronic recording, magnetic tape, card or computer chip reader that all visitors were required to "sign", or "Check in" on or with.

This request includes any and all pre made visitor's lists that the sign operators used as a check-off for all visitors checking in during the relative periods mentioned above.

2_Please provide the official Connecticut State Police Standard "Operating Procedures" Manual for the State Police Helicopter, "Trooper 1", as published for the period 2011 through 2013. I am primarily interested in the "operating procedures" book in use from June 2012 through December 2012. The words book, manual, paper, instruction and orders all have the same meaning in this request.

Dear Mrs. Longobucco and Mrs. Gombos:

This email constitutes a request under the Connecticut Freedom of Information Public Records Act, made to both of you in your capacity as School Principal and Custodian of Newtown High School and Sandy Hook Elementary School emails and phone records for all of school staff listed on your staff directory.

Please provide me the following records:

- Copies of all invoices and billing records that your staff member Julie Kulikowski received at your high school from Sysco Foods and Lorna Szaley from 09-01-2012 through 12-13-2012 as listed in the email attachment below. Lorna Szaley was an employee at Sandy Hook Elementary School at Old Chalk Hill Middle school, 375 Fan Hill Rd. Monroe. CT.
- 2. Copies of all invoices and checks paid by Julie Kulikowski to Sysco Foods from 09-01-2012-through 12-13-2012 clearing each of those invoices which should reflect 113 orders from the school to Sysco Foods based on the invoices mailed to Julie Kulikowski at the Newton High School.
- 3. Copies of all phone calls made from Julie Kulikowski phone located at Newtown, CT High School (203-270-6134) to Lorna Szaley or the the phone number listed (203-426-7659) on 09-01-2012 through 12-13-2012.
- 4. Copies of all phone calls received by Julie Kulikowski phone located at Newtown, CT High School (203-270-6134) from Lorna Szaley or from the phone number 203-426-7659 from 09-01-2012 through 12-13-2012.
- 5. Copy of Julie Kulikowski personal file since she is listed as staff member in the school directory for Newtown High School, CT.
- 6. Copy of Lorna Szaley Background and personal file.

I request a fee waiver, since compliance with this request benefits the general welfare.

Thank you for your soonest response to this request. I prefer a response by email.

Christine:

Thank you so much for that CT State Police Active Shooter Response document it helped me understand the next CT Freedom of Information Public Record request since this case is now officially closed after 5 years.

I am using your Active Shooter Response Rep[port in requesting these four CT Freedom of Information Public Record requests since they are all in this final report and you should have NO problems in releasing those Public Records. Right?

Activation of Emergency Service Unit Personnel: Does Ct State Police not have a Police Helicopter stationed in Hartford, CT to transport the SWAT team prating at the air field that day?

The West Tactical Team was activated immediately upon being notified of the incident. The tactical unit sniper teams were conducting training in Hartford and responded to Sandy Hook Elementary School, located approximately 50 miles away.

Radio Updates:

1. Provide copy of the CT State Police helicopter 1 Radio transmission and a copy of the official transcript provided to the CT Major Crime Investigative team for Dec 14, 2012 from 8:00 am to 6:00 pm

While traveling to Sandy Hook Elementary School, the responding tactical team members who deployed from training in Hartford received continuous updates from the CSPMessage Center. These continuous updates proved to be very helpful in the initial planning strategies.

Tactical team leaders utilized alternative radio channels to effectively communicate witheach other prior to arrival on scene.

DID THE NOT CHECK IN AS DIRECTED BY THE HUGE TRAFFIC SIGN VISIBLE ON RIVERSIDE?

One Trooper reported that he was assigned traffic control at the direct entrance immediately upon his arrival at the scene, and was reportedly alone in the assignment with the exception of two volunteer firemen. As additional responding units, media, and family members began arriving, coordinating parking and staging and controlling and maintaining the perimeter became increasingly difficult.

Responding personnel initially detained multiple civilians, including a parent and a custodian, who were mistakenly identified as possible suspects. While thesetypes of interactions are often unavoidable, they diverted resources from other tasks while the subjects were identified and cleared.

DID THEY NOT SIGN IN AND GET A PASS?

Responding officers need to quickly determine the difference between a by standing civilian and suspect and use their experience and training accordingly. Responding officers should be very mindful of the presence of civilians in high stress scenarios, and must be able to quickly analyze, identify, and handle these situations so as not to divert unnecessary resources from the actual threat.

2. Provide a copy of the "EVERYONE MUST CHECK IN LOG" that former Chief Kehoe testified in the CT Freedom of Information Commission hearing that it in the possession of the CT State Police.

(Picture of CHECK IN LOG SIGN ATTACHED FOR REVIEW)

P-Card Usage. CHECK PDF FILE

In the first days of the investigation, it became evident that additional supplies were needed to effectively outfit the Investigative Command Post and continue this investigation. The ability for investigators to go to local stores and buy these resources without delay was essential to the investigation.

3. Provide copies of all P-CARD usages by CT State Troopers for Dec 13, 2012, Dec 14, 2012 and Dec 15, 2012 showing items purchased and the officers name on the cards with date and time.

(Pictures of products attached in pdf file).

4. Provide copies of the Dash Cams that are in your property records room for Newtown Ct police officers named Sgt. Bahamonde, Officer Chapman, Officer Seabrook and Lt George Sinko which the CT Freedom of Information Commissioners ruled as Public Records and you appealed that ruling. Why? What are you hiding? Whatever happened to transparency of a great Police agency?

DASH CAM PICTURES ATTACHED SO I CAN VERIFY THOSE NEWTOWN POLICE, CT DASH CAMS UNLESS YOU ARE INTENTIONALLY HIDING THEM FROM PUBLIC RECORDS?

Now that the case is closed and will no longer interfere with any further investigation you are in your possession of Public Records and again I am requesting those copies without them being tampered and altered in any way.

As always, please provide me with these CT Freedom of Information Public Records requests and as you must know you still have my money in your account for processing these requests.

Thanks

- Copies of all of Code Compliance updates required for Chalk Hill Middle School since it was closed for over 15 months and it had to brought up to new codes before the Sandy Hook Children and teachers could transfer to that school.
- 4. Copies of the Certificate of Occupancy signed by the Town of Monroe Code Compliance Officer and provided to you the Newtown School Board before allowing the transfer of children and teachers on Jan 4 or Jan 6, 2013.
- 5. Provide me with copies of your E-Rate applications for funding for Chalk Hill Middle School for Phone and Internet services baed on Free and reduced lunches for children attending the Chalk Hill Middle school with the number of students attending and the number of children on free and reduced lunches. Great savings with Federal Funds. Right?

And the following below since I will be in Monroe and Newtown CT for three days.

- 1. Copies of all electric bills and date paid starting July 1, 2011 through Jan 6, 2013
- 2. Copies of all water and trash pick up bills and date paid starting July 1, 2011 through Jan 6, 2013

Subject: CT Freedom of Information Requests

Kathy:

Please forward this to your Insurance Department within the Newtown School Board which should have all those Public Records that I am requesting today and should be available to me no later then 30 days.

Under the Connecticut Freedom of Information Act § 1-200 et seq., I am requesting an opportunity to inspect within the next 30 days and obtain copies of public records that will show:

Dora and Christine:

Under the Connecticut Freedom of Information Act § 1-200 et seq., I am requesting an opportunity to inspect within the next 30 days and obtain copies of public records that will show:

I am requesting copies of the flight logs for CT State Trooper 1 for the month of Dec, 2015.

Provide copies of the mission description that that the CT State Trooper helicopter was requested by local or state law enforcement.

I will payfor all copies and mailing of those documents to my home at 25526 Hawks Run lane, Sorrento, Florida 32776

Please call me if you do not under stand my requests at 352-729-2559

Wolfgang W Halbig

Dora and Christine:

This is for my records and yours. Remember my CT FOIA request from Mar 24, 2014 which you never ever provided. You told me that are NO such records. Now with the testimony of Trooper McLain and Hernandez the story has now changed. Right?

Yesterday Jan 25, 2016 Lactually got to speak with Sqt. James Mclain the Pilot of CT State Trooper 1 who was supposed to be flying on Dec 14, 2012 when responding to the Sandy Hook Elementary School Shooting.

It has taken me a little over 2 years so I am now excited for now I know the truth in which you the CT State of Emergency Services are refusing to provide me under the CT FOIA laws.

Before noon yesterday we had a great conversation as to how he lifted of from Hanford, CT airport in responding to Sandy Hook.

We talked about the procedures as to authorizes him to lift off.

We talked about how he can communicate with all ground police units base on radio frequencies.

He stated that all communication from the ground to the CT State Trooper helicopter are recorded by the CT State Police communication center for liability reasons.

Now we know that you have the audio records for that day

United Status Cace
1TTLE 18 - CRIMES AND CRIMINAL PROCEDURE
PART 1 - CRIMES
CHAPTER 47 - FRAUD AND FALSE STATEMENTS
U.S. Code as of: 01/02/01

Section 1001. Statements or entries generally (a) Except as otherwise provided in this section, whoever, in any matter within the Jurisdiction of the executive, legislative, or Judicial branch of the Government of the United States, knowingly and willfully (1) falsifies, conceals, or covers up by any trick, scheme, or device a material fact; (2) makes any materially false, fictitious, or fraudulent statement or representation; or (3) makes or uses any false writing or document knowing the same to contain any materially false, fictitious, or fraudulent statement or entry; shall be fined under this title or imprisoned not more than 5 years, or both.

Then I spoke with Trooper Hemandez in the communication center with a phone number 680-885-8190 twice on whether the CT State Police Trooper 1 helicopter (ransmission are recorded. He stated twice that they had to be.

I asked how I could get a copy of that helicopter audio tape and he stated that all I needed to do is contact the CT State Emergency Services Legal Department and request a copy by giving them the date and time of the recording you are requesting.

Called him twice just to verify and since I am 70 years old and that they the CT Police are recording my phone calls I recorded my conversation with McLain and Hernandez for accuracy so when we request under the CT FOIA laws which I am doing now for you to provide me with the audio tapes for CT State Trooper 1 for Dec 14, 2012 from the time they lifted off to the time they landed at the end of the day with all refueling stops and passenger pickups.

Kay,

It is unlikely it will be ready this week, as I have vacation for most of the week. I have it in my "priority" pile, but unfortunately, sometimes there are priorities that I have to put before it. The best I can say is that I am getting to it as quickly as I can. I am hoping to have an update next week when I am back in the office. I know this is what he most wants from me, and I will do my best to get it to him as soon as I can.

2. TYPES OF AERIAL OPERATIONS

- 1. The Aviation Unit may be called to respond to the following police operations:
 - 1. Preventive patrol (primary mission).
 - 2. Surveillance/reconnaissance.
 - 3. Suspect/evidence searches.
 - 4. Vehicle pursuit control.
 - 5. Photographic flights.
 - 6. Rescue operations.
 - 7. Command/control platform for police and fire staff and any other assignment to which the unit can safely and effectively be of service as determined by the PIC.
- 2. Thehelicopterwillnotbeusedforhospitaltransportationexceptinanextreme

emergency where either a private med-evac helicopter or medic units are unavailable as described in Directive 3.14, "Hospital Cases."

3. Aircraftintheareaofacrimeinprogress, an assist of ficer, or other emergency or disaster have the same responsibility to respond, as would any ground unit.

3. SAFETY PRECAUTIONS

A. Allpersonnelwill:

- 1. Stay at least 100 feet from the aircraft while the main rotor is turning. Do not approach the aircraft unless authorized by the pilot or observer of the operating aircraft. Only approach the aircraft from the front, in direct view of the flight crew.
- 2. When exiting from an aircraft, always walk toward the front of the aircraft in view of the crew.

DIRECTIVE 4.9 - 2

- 3. When approaching or exiting the aircraft, walk in a crouched position. Never approach or leave the aircraft on the uphill side of the aircraft. Always approach or depart from the downhill side.
 - 4. Do not smoke within 100 feet of any aircraft at any time.
 - 5. Do not park or move any ground vehicle or other large object within 100 feet of an operating aircraft.
 - 6. Remove hats and other loose gear before approaching the aircraft.
 - 7. Oleoresin Capsicum (OC) spray or any form of aerosol mace will not be carried on board the aircraft.

8. All

helicopter flight crews will ensure:

- 1. Landing areas remain clear of any equipment, debris, or unauthorized personnel.
 - 2. Flights are terminated 30 minutes prior to fuel exhaustion.
- 3. That no patrol flight will be conducted when the ceiling is less than 800 feet and visibility is less than two miles during daylight and when the ceiling is less than 1000 feet and visibility is less than two miles during nighttime operations. When the weather is below unit minimums, but more than 600 feet and one mile, the PIC and unit supervisor will evaluate each request for a mission.

- That if either member of the flight crew becomes ill or fatigued, the flight will be terminated immediately.
- 5. That when a threat or an actual sniper incident occurs, the aircraft will leave the immediate area until safe conditions prevail.
- That each member of the crew creates an environment that is conducive to positive crew interaction, good cockpit management, and positive control transfer.

NOTE: All members of the Aviation Unit will comply with the unit's current SOP(standard operating procedures) and PSAAC (public safety aviation accreditation commission) standards.

DIRECTIVE 4.9 - 3

4. SCHEDULING OF FLIGHTS

- 1. Flight schedules will be determined on a daily basis by the on-duty ranking unit supervisor or in their absence the pilot in command. They shall remain flexible based on weather and the mechanical condition of the aircraft.
- 2. Toscheduleaflightrequest, submitamemorandumtotheCommandingOfficer, Aviation Unit. All requests will include:
 - Description of the service needed, crime patterns or suspect's method of operation, etc.
 - 2. Exact location, noting landmarks, pertinent building descriptions, and other useful identifying information.
 - 3. Date, time of day, and the expected duration of the flight.
 - Person to be contacted to coordinate operations.
- 3. AnypolicepersonnelrequiringtheimmediateservicesoftheAviationUnitduring patrol hours (e.g., pursuits, suspect searches) shall request their assistance through Police Radio.

 Provide Police Radio with as much information as possible including:
 - Why the helicopter is needed and how they can assist.
 - 2. Pertinent descriptions of vehicles, persons, buildings, etc.
 - 3. Location and direction.
 - 4. Whether the searchlight (NightSun) should or should not be used.
- 4. Scheduled flight requests from outside agencies or departments, other than the Philadelphia Fire Department, must be submitted in writing to the Commanding Officer,

Aviation Unit for approval. Requests for immediate service from the surrounding four counties (Bucks, Delaware, Montgomery, Chester) for which the Aviation Unit provides service for, will be approved by an Aviation Unit supervisor, and forwarded to the Police Commissioner or designee for final approval.

5. Flight requests for immediate service can be made via police radio or by contacting Aviation Unit headquarters. The feasibility and availability of any assignment to which the unit is called to respond, will rest with the on-duty ranking unit supervisor or in their absence, the pilot in command.

DIRECTIVE 4.9 - 4

F. Community groups requesting information or tours of the aircraft and Aviation Unit facilities must do so in writing to the Commanding Officer, Aviation Unit.

5. PATROL AND OTHER OPERATIONAL PROCEDURES

- 1. Preventive patrol shall either be over pre-designated areas (as directed by the Commanding Officer of the Unit) or in a routine manner similar to mobile ground patrols.
- 2. Whenrespondingtoparticularincidentsorcallsforservice, theaircraftwillmaintain surveillance and radio contact with ground units until their services are no longer needed or a higher priority assignment is dispatched.
- 3. The priority ranking system of assignments developed by Police Radiow ill be utilized for assignments given to the helicopter crew. When the PIC and observer determine that their services will be of little or no value during a particular assignment, they shall advise Police Radio and resume patrol.
- 4. Where coordination of air and ground units is necessary, the flight crew shall gather and transmit pertinent information directly to a ground supervisor or commander.
 - 5. When it becomes necessary for commanders to personally have an aerial view of the scene of a particular incident, that commander will communicate that need to Police Radio who will contact the flight crew. The PIC will then determine the nearest location to the requesting commander where a safe landing can be made.
- 6. When coordinating operations, the observer will check with ground personnel before activating the NightSun spotlight. There may be occasions where ground units have determined that the light may be more of a hindrance or degrade their tactical position.
- 7. The flight crew will be aware of the sound level produced by the aircraft, which may hamper ground communications during certain operations.

Asbestos-Containing Materials in Schools Sandy Hook Elementary School

Our building is inspected every 6 months as required by §19a-33-1 through 13 of the regulations of Connecticut State Agencies, "Asbestos-Containing Materials in Schools;" to determine any changes in the condition of identified asbestos-containing building materials. Additionally, the school will be re-inspected every three years by an accredited inspector following the same basic criteria as stated in the original plan.

The main office of each school and the Facilities office maintain a complete updated copy of the asbestos management plan which is available for viewing during normal business hours. The asbestos program coordinator is Gino Faiella who can be contacted at 203-426-7615 and our asbestos consultant is Mark Granville who can be reached at 203-856-3055.

We remind you that this notification is required by law and should not be construed to indicate the existence of any hazardous conditions in our school buildings.

Chief Viadero Public Record Custodian:

Please under the CT Freedom of Information Public Records Act I am requesting the following documents as outlined by the CT FOIA laws.

The Newtown, CT Police Department received \$664,785 dollars from the US Justice Department for overtime worked by your officers in the Sandy Hook School Incident.

Other police agencies were also compensated for their overtime. This request is only for your department and how you documented and justified the \$664,785 dollars in overtime to the US Justice Department since that is Tax payers money.

Please provide me copies of all law enforcement officers working for the Newtown Police Department that submitted OVERTIME pay for the work they did in the Sandy Hook School Shooting Incident.

As you know, on Dec 14, 2012 you had the am shift working starting at 8:00 am to 4:00 pm.

So there is where your OVERTIME request should start.

From Dec 14, 2012 through everyday going forward in which your police officers submitted OVERTIME pay copies should be provided to me under this CT FOIA request.

The total amount should total \$664,785 dollars since that is what I have been provided by the US Justice

Department.

I also have the data that shows OVERTIME for CT State Police and other police agencies so do not add them to your total.

Again, copies of every Newtown, Ct police officer that submitted OVERTIME pay beginning Dec 14, 2012 after the 4:00 pm shift through the entire \$664,785 dollars.

I will pay for all copies and mailing to:

25526 Hawks Run Lane Sorrento, Florida 32776

To: Wolfgang Halbig <wolfgang.halbig@comcast.net> Subject: Freedom of Information Request (F-17-173)

Dear Mr. Halbig:

This is in response to your telephone request submitted to me on March 22, 2017. I am presenting the following information relative to your inquiry. This information had previously been provided to your attorney, Kay Wilson, on September 6, 2016, in response to your June 30, 2016 Freedom of Information request.

You requested the names of the seven DEEP officers "chasing in the woods." Please be advised that DEEP has no responsive records. The Connecticut State Police led the investigation involving the Sandy Hook tragedy of December 14, 2012. All DEEP records were submitted to the State Police during the investigation. No copies were maintained by DEEP. To the extent that records exist, the Connecticut State Police have custody and control of such records.

You also requested copies of all audio recordings. Please be advised that DEEP objects to disclosure of the information requested for audio recordings. An effort was made by DEEP to identify, compile and review the audio recordings of DEEP personnel responding to Sandy Hook on December 14, 2012. DEEP determined that the audio recordings contain definitive, identifiable information relating to citizens and/or ownership identification of certain motor vehicles as described in the tapes, and this information is protected from disclosure pursuant to sections 1-210(b)(3)(H) and 14-10 of the general statutes. DEEP desired to extrapolate the exempt information from recordings, however, DEEP has since changed equipment and is unable to do this extrapolation. Consequently, the entire recordings are being withheld. Also please be advised that the audio recordings are sometimes inaudible due to poor reception.

Lastly, you requested copies of all television recordings. Please be advised that DEEP does not have responsive records of any television recordings.

Matt posted a photo to Sandy Hook Justice's timeline.

They requested pizzas, but not trauma helicopters? What first responder orders food while they're in the middle of a mass casualty incident?

Did someone order some pies?

Requesting an Immediate Grand Jury Investigation against Steven Sedensky the Danbury State Attorney and the CT State Police Officers who falsified their sworn police affidavits on the Sandy Hook School Shooting on Dec 14, 2012.

Why would 16 highly trained Ct State Police Officers enter through this window?

Did you know that not one Newtown Police Officer entered through the shot out glass window and they where first on the scene?

I wonder why?

I want to go through that shot out glass window Curley yells.

This is a picture taken by the CT State police crime lab on Dec 14, 2012

Here we go:

These sworn affidavits by the Ct State Police Officers and Lt Vanghele and others should cause the CT Federal Prosecutor to open a Grand Jury Investigation on Steven Sedensky State Attorney in Danbury and every sworn law enforcement officer who perjured himself knowingly and willfully in their own statements.

ACTION TAKEN: BADGE NO 0272

On 12/14/12 at approximately 0930 hours, I was working as the supervisor in the Southbury Resident Trooper's Office. I was traveling on Lakeside Rd. when I heard Troop A dispatches all available units to an active shooter at Sandy Hook Elementary School.

I entered 1-84 Westbound from the on-ramp on Lakeside Rd. I traveled westbound and got off at exit 10 in Newtown. I took a left off of the ramp and traveled on Church Hill Rd.

I continued onto Riverside Dr. and arrived at Sandy Hook Elementary School. Upon arrival, I parked my vehicle near left side of the entrance to the school parking lot, next to Lt. Hofbauer's vehicle near' the fence.

I exited my vehicle and proceeded across the parking lot, using the first row of vehicles as cover.

I approached the front door of the school; I observed a dark vehicle parked

in the fire lane to the right side of the entrance.

I entered the school lobby through the front doors and I observed Sgt. Cario coming through the lobby with a child in his arm.

Now watch 16 Ct State Troopers go through the shot out and broken glass window.

Why?

Now read about 16 Ct State Police officers in sworn police affidavits who entered the school or they cannot remember how they went through the shattered shot out glass window.

HE GOT IT RIGHT.

CFS Report#: 1200704559 - 00017426

ACTION TAKEN: BADGE NO 0837

On 12/14/12 at approximately 0930 hours, I was parked at Troop A writing a report in my vehicle.

Dispatcher Brennan put out a radio transmission that there was an active shooter at a school in Newtown.

I put my vehicle in gear and headed westbound on 1-84. I asked dispatch which exit to use to get to the school.

As I approached the front entrance of the school, I observed the broken glass on the ground near the doors.

I observed several troopers and police officers inside the lobby of the school. I entered the school through the broken glass window on the right side of the main doors.

WHY?

How is that possible when they the police officers inside could have opened the doors and not disturb the crime scene?

Another unbelievable sworn police officers statement:

Action Taken: On 12/14/2012 at approximately 0930 hours, I was at the Woodbury Resident Trooper's Office completing paperwork, when I heard Troop L broadcast that Newtown was responding to an active shooter incident.

Upon hearing this, I left my office and responded towards Newtown in my assigned cruiser.

I arrived at the scene.

As I pulled into the parking lot, I parked my vehicle away from the main entrance and behind several rows of cars that could be used for cover.

I exited my vehicle and retrieved my shotgun from the trunk and observed TFC Blumenthal #690, do the same.

We then proceeded towards the main entrance of the building.

As I approached, I observed a large hole in the glass window to the right of the main doors, which were closed.

TFC Blumenthal and I entered the building through the hole in the glass window.

WHY?

How is that even possible when that window has shattered glass everywhere and good seriously injure someone by all the broken hanging glass?

It is a crime scene.

CFS Report#: 1200704559 - 00026724

BADGE NO 0149

On December 14, 2012, I was the dayshift supervisor at Troop A. At 0937 I was in my assigned cruiser in the Kmart Plaza, South Main Street, Southbury, when I heard the first transmission from Dispatcher Betsy Brennan of an active shooter at the Sandy Hook School, Newtown.

I made my way to 1-84 west via the #15 on ramp as I instructed all my western patrols toward the school, with the eastern patrols to start heading in that direction (CSP radio time: 09:37:38).

I also told my deskman, TFC Chris Kick #811, to get an address for us so that we did not have to look for it.

While en route, Regional Dispatch Deskman TFC Loomis broadcasted more than once that the shooter was in the main office area.

As our cars were coming to a stop, Lt. Hofbauer radioed that he and M.Sgt. Davis had arrived (CSP radio time: 09:46:30).

I did not sign off at the scene.

We immediately exited our cars and ran toward the school's entrance with our handguns drawn.

Lt Hofbauer ran along the driveway, in front of parked cars.

M.Sgt. Davis and I ran behind this row of parked cars and then turned left, between parked cars, to run toward the front door.

We all re-grouped, as we got closer to the entrance.

I could not clearly see through the glass, but I could see a very large hole shattered in the glass to the right of the main doors.

I remember considering that the front doors might be locked, and I did not want to stop moving until I was somewhere with cover.

I know that I considered going through the window.

As we approached the door I remember seeing Lt. Hofbauer's hand grab the door handle, and that I was off to his right.

I do not remember how I entered the school, but it may have been through the window.

HOW CAN YOU NOT REMEMBER? The lie comes in a later report.

How can a sworn trained police officer not remember how you and the others entered the school on Dec 14, 2012?

On 12/14/12 at approximately 0935 hours, I was in my assigned cruiser off duty in the Town of Southbury when I heard a radio broadcast for an "active shooter" at the Sandy Hook Elementary School, 12 Dickinson Street,

Newtown, Connecticut.

I immediately responded to the school, following the directions that were being broadcast over the radio.

I arrived a short time later, at the same time as Trooper Cipriano.

When I arrived at the school, I observed several civilians behind the parking lot on Dickinson Street.

I then recognized Detective Mudry running toward the main entrance of the school.

Detective Mudry called out to me and Detective Mudry and I entered the main entrance of the school either through the front door or the broken window.

How is it again that sworn trained Ct State Police officer cannot remember how they entered the school on one of the most tragic school shootings in Elementary School history?

Trained Ct State Police Officers broke every cardinal rule especially when they are observing other officers inside the school.

On 12/14/12, I was working as the Troop A desk trooper.

I was at the front desk at Troop A when the "bat phone" rang at approximately 0936 hours.

I answered the phone and was greeted by Disp. Betsy Brennan. Brennan informed me that there was a shooting at Sandy Hook Elementary School.

Upon arrival to the school, I entered the school parking lot from Dickinson Dr. and traveled to the right side of the parking lot.

I drove to the far end of the parking lot and positioned my vehicle on the front right corner of the school, near the front doors.

l exited my vehicle and ran across the front of my vehicle to the front doors of the school.

Upon approaching the front doors, I observed that the windows to the right of the doors were broken and glass was on the ground outside of the school.

I am not sure if I checked the doors to see if they were locked but I eventually entered the school through the broken glass windows.

As I climbed through the windows, I observed a Newtown officer to my right.

WHY THROUGH THE GLASS WHEN YOU POLICE OFFICERS INSIDE?

Trained Ct State Police Officer again having to enter the front of the school through the broken shot out glass window. Why? Police are inside.

On 12/14/12 at approximately 0935 hours, I was in Southbury, CT when Troop A dispatch put out a broadcast that there was an active shooter situation in Newtown, CT. I traveled westbound on I-84 and exited at exit 10.

When I arrived, I went to the front left corner of the building and met with TFC Benecchi. Benecchi and I proceeded across the front of the building to the front door.

As approaching the front door, I noticed a hole in the glass window on the right side of the front doors.

Benecchi and I met Lt. Hofbauer and MSgt Davis at the front door.

We all entered the building through the broken window and entered into the lobby of the school.

WHY? This is an Lt and a MSGT who should know better.

Now these four Ct State Troopers would have disturbed the furniture inside the school since the hole in the glass was no that great?

Not one of them removed the remaining glass in order to prevent them from being seriously cut by the broken glass.

Why is the furniture still in place after all those CT State Troopers entering that broken glass window?

On 12/14/12, I learned of an "active shooter" at Sandy Hook Elementary School, 12 Dickinson St. Newtown, CT from Lt. DeNecchia.

I then recognized Det. Zullo crouched behind a dumpster on the side of the school with his long gun in a down range position. I called out to Det. Zullo to make entry into the school.

We entered the main entrance through either the front door or broken window.

This is a high profile Mass Casualty Shooting at an Elementary school on Dec 14, 2012 you just don't forget how and what you did that morning.

On 12/14/12, at approximately 0930 hours, I was on Route 8 Northbound near Exit #32, in Waterbury. Troop A Dispatchers broadcasted the report of an ~Active Shooter", in Newtown.

I immediately started heading west.

Shortly after, I heard them announce the location, Sandy Hook Elementary School, followed by directions for the responding cars.

We headed to the entrance located along the North side of the building. One (1).

One-ounce slug shotgun round, of an unknown color, fell from my ammunition bandoleer, while crossing the parking lot.

I recovered this later.

As we approached the school, I saw a CSP cruiser, (later identified as TFC Kick's #811 assigned vehicle), near the patio/doorway. Lt Davis, was standing outside the vehicle.

Sgt Roden and I approached and joined an entry team.

Utilizing the blown out window, we joined other officers and entered/secured the lobby area.

On 12/14/12 at approximately 0937 hours, I was at Troop A when I overheard dispatch call out an active shooter at the Sandy Hook Elementary School in Newtown.

At this time, I clarified the location of the school at the Troop A sergeant's office.

Arriving at the front doors of the school, an unknown Newtown Police Officer had gained entry into the lobby and opened the front door for me.

Master Sergeant Davis and Sergeant Cario then followed me into the lobby.

Now we have a huge distortion of the truth taken under oath by other Ct State Police Officers.

Let's Look: CFS Report #: 1200704559 – 00027950

Action Taken:

Newtown L T, Vanghele provided a typed statement.

"On 12/14/12 at approximately 9:35a.m.

I was at my desk at the Newtown Police Department completing paperwork.

I heard over the radio system that officers were being dispatched to what appeared to be gunshots at Sandy Hook Elementary School.

A group of State Troopers then started to walk into the school from the front door.

I believe they walked in through the broken front window.

They each had their guns drawn and were asking what was going on.

Why go through the broken glass window exposing you to serious injury?

These 11 sworn police affidavits showing them entering the Sandy Hook Elementary School through the shot out glass window is just unbelievable.

16 or more trained police officers seeing other police officers inside the Sandy Hook front lobby decided to place themselves at Risk by entering the school through the broken glass instead of having another officer inside the school open the door for them.

I have been out of law enforcement for some time now and am totally amazed with the new policies and procedures for Mass Casualty Shootings by Homeland Security and FEMA that have been implemented.

Please read his response to me and you will also find the email trail from the Ct State Emergency Services stating that they do not have those Newtown Police Officers narratives/incident reports in their files and that I should go back to Newtown to get them.

So here we are. Please comply to my CT FOIA requests within the CT laws and the time lines of providing me with those official police documents.

I have also provided you with verification that these documents do exists since LT Vangehle testified under oath at the CT FOIA hearing on Feb 18, 2016 that he has his copy.

Mr. Halbig

I have copied your latest request from your email (below). The Town of Newtown's response is the same as many other responses to your previous requests for documents. Of note here, The Newtown Police Dept. does not possess "a complete action report". All statements taken by the Conn. State Police from any officer of the Newtown Police Department are in the sole possession of the Conn. State Police. The Newtown Police Department does not possess any investigative statements or reports of Newtown Police Officers for the events at Sandy Hook Elementary School or 36 Yogananda on 12.14.12. You have received with previous requests, all documents as defined under FOI that are in the Newtown Police Dept's possession, Therefore, your repetitive requests for documents not in our possession, will be met with the same answer: No Responsive Documents.

Regards.

Chief Michael Kehoe

This shows that Lt Vanghele has his statement that he submitted to the CT State.
